Dr. Evangeline P. Ladines, CESO V
School Division Superintendent
Department of Education

Dear Dr. Ladines,

I hope this letter finds you in good health and high spirits. I am writing to you on behalf of the Xepto Team, a group of educational researchers and technology enthusiasts committed to promoting innovative teaching methodologies and enhancing learning experiences.

Firstly, I would like to request for your permission to allow the Xepto Team to observe LMS class demonstrations on GAS 1101, specifically on the subjects of Practical Research by Ms. Quennie Colle and Pagbasa at Pagsusuri by Ms. Pinky Gomez. The class demonstrations will be on June 8, 2023 (8:00 am - 12:00 nn). These demonstrations will provide valuable insights into implementing Learning Management Systems (LMS) in the classroom and integrating technology into education. By observing these classes, we aim to study and refine the effective use of LMS platforms and how they facilitate interactive and engaging learning environments.

Secondly, we kindly request your consent to video-record the demonstrations. The copies will be provided solely for Xepto's internal use, primarily for educational research and professional development. Rest assured that the privacy and confidentiality of students involved will be strictly protected. The videos will be handled with the utmost care, adhering to data privacy regulations and ensuring no personally identifiable information is disclosed.

Lastly, we would like to invite the following officials from the Department of Education (DepEd) to observe the class demonstrations and provide their valuable feedback on using the LMS in the classroom. Their presence would significantly contribute to validating the effectiveness of LMS integration and offer further insights to improve our school's teaching and learning experiences. The officials we would like to invite are:

1. Dr. Antonio B. Rocha
2. Dr. Mylyn M. Vallejo
3. Dr. Daisy M. Delos Santos
4. Dr. Armida S. Oblinada
5. Dr. John Albert B. Colle
6. Ms. May Borjal
7. Dr. Maria Theresa C. Dela Rosa

Their expertise and experience would greatly benefit our educational community. If you require any additional information or would like to discuss specific details regarding this request, please do not hesitate to contact my team through Ms. Ahne Gatapia at 09778201214 or via email at ahne@xeptoeducation.com.

Thank you for your attention to this matter. We are eager to contribute to advancing education through our research and collaboration. We appreciate your support and look forward to your positive response.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'Paco Sandejas'.
