Dear Ma'am Ladines:

I am writing to formally request your assistance in selecting thirty (30) enthusiastic teacher-participants from the Muntinlupa Division for an upcoming Padel Sports Clinic. It will take place at the Muntinlupa Science Highschool Covered Court, Tunasan, Muntinlupa City on August 10, 2023 from 10:00am-11:30am. The Padel Sports Clinic aims to introduce our educators to the exciting world of padel and provide them with an opportunity to enhance their physical activity and sporting skills. Padel is a fast-growing sport that promotes teamwork, coordination, and fitness, making it an ideal avenue for both personal growth and potential integration into school activities.

The clinic will cover the basics of padel, including rules, techniques, and strategies, and will be facilitated by certified coaches who are experienced in the sport. Participants will not only enjoy an active and engaging experience but also gain valuable insights that they can share with their students, encouraging a culture of physical activity within our schools.

We kindly request your support in identifying thirty (30) teachers who are eager to embrace this opportunity and promote physical fitness through padel within their respective school communities. Your assistance is crucial in ensuring the success of this initiative and the overall well-rounded development of our educators.

Thank you for your continuous commitment to the growth and enrichment of our educators. We eagerly await your positive response.

Warm regards,

CYNTHIA B. VIACRUSIS
