Ma'am:

Greetings of peace and joy!

The Asian MathSci League, Inc. (AMSIL) finds honor to share some good news with you regarding the recently concluded World Mathematics Invitational (WMI) held in South Korea last July 14-18, 2023.

We would like to inform you that the Final Round of WMI witnessed the participation of 1275 Grades 1-12 contenders from 17 countries around the world, making it a truly global event. Thus, it gives us great pleasure to share that your schools division has produced outstanding students who emerged as winners in this prestigious international competition. Your learners have utterly displayed exceptional mathematical prowess and have excelled among their peers from around the globe.

Herewith, you will find a list of the students who have achieved notable success in the WMI Final Round. The attached document also specifies the registered school they are currently enrolled in and the awards they have earned through their hard work, dedication, and perseverance.

Once again, on behalf of our organization, I extend my heartfelt congratulations to your winners. Their achievements not only bring honor to themselves but also reflect positively on their city, province, and country. We hope that their accomplishments will serve as an inspiration to their peers and encourage them to reach for greater heights in their pursuit of knowledge and excellence.

Thank you for your valuable contribution to the success of the WMI Final Round. Your commitment to fostering a nurturing environment for the development of mathematical talent has undoubtedly played a pivotal role in this historical feat as we continue seeing the return of our onsite overseas contests. We commend your unwavering commitment to academic excellence and applaud your continuous efforts to foster a love for mathematics among your learners.

Congratulations! We look forward to your continued support and collaboration in our future endeavors.

Yours respectfully,

RECHILDA P. VILLAME
AMSIL President
