9 August 2023

Wilfredo E. Cabral
Regional Director
National Capital Region
Department of Education

Dear Mr. Cabral:

Innovations for Poverty Action (IPA) Philippines is an international research and policy nonprofit that discovers and promotes effective solutions to global poverty problems. We have been a key partner of the Department of Education to strengthen evaluation capacity, build monitoring and evaluation (M&E) capacity of staff, disseminate knowledge on existing evidence, and design potential solutions to address challenges in the education sector.

In collaboration with the Department of Education, we conducted a successful pilot evaluation of the mEducation program from 2021 to 2022, which yielded promising results, including a) significant learning gains across all operations, b) equally effective across different types of teachers (government teacher and learning support aides); and c) found to be among the most cost-effective remedial and educational technology interventions globally.

Last June 15, during a virtual results dissemination event via Zoom where we presented the evidence of the mEducation Program pilot evaluation, we received several expressions of interest from different Schools Division Offices (SDOs) to partner with IPA in rolling out mEducation.

As such, we would like to extend an invitation to your office and the Schools Division Offices under your jurisdiction for a **Virtual Orientation Session of the mEducation Program Partnership**, where we will discuss the details of the mEducation program partnership and ways forward. We are offering two options for the orientation:

1. Date: August 16, 2023
Time: 10:00 AM
2. Date: August 17, 2023
Time: 10:00 AM

During the orientation, representatives from the RO and SDOs will have the opportunity to interact with our team, ask questions, and explore the best ways we can collaborate to maximize the benefits of the mEducation program for the students and teachers in your SDO.

7th Floor (Unit 7B) Belvedere Towers, San Miguel Avenue, Ortigas Center, Pasig, Metro Manila, Philippines

To register, participants would need to fill up the [online registration form \(https://tinyurl.com/meducpartner\)](https://tinyurl.com/meducpartner). The meeting link will be provided to all registered participants. **We would like to ask for your assistance in sharing this invitation to the SDOs under DepEd NCR.**

We are excited about this potential partnership with the DepEd field offices and are confident that together, we can make a meaningful difference in advancing education and improving student learning in the Philippines. Should you have any questions, you may contact our Senior Policy and Project Development Associate Karisha Anne Cruz at kacruz@poverty-action.org.

We are looking forward to seeing you at the mEducation partnership orientation.

Sincerely,

Country Director
