Supervisor – MAPEH

Dear Dr. Ladines:

The **International Friendly City Painting Exhibition (IFCPE)** held in 2021 under its theme, “Car of the Future” was indeed a success. Exhibited a collection of 160 paintings from talented children of Liuzhou, China, Ami, Japan, Cincinnati, USA, Bandung, Indonesia, and Muntinlupa, Philippines. The exhibition had created an amicable connection, strengthening the understanding of the transportation innovation in each respective country.

In connection to this, the Liuzhou Foreign Affairs is once again inviting our city to participate in IFCPE 2023. This year, the competition aims to highlight the culinary tradition in each city, not only to foster the creativity of the learners but to express their awareness in our local gastronomy.

In this regard, we kindly request your assistance in cascading the invitation to all our schools to join the said activity. The competition is open to all students who are aged 7-15 years’ old. The registration period shall begin on **September 4, 2023**, and the competition shall take place on **September 21, 2023** at the **Museo ng Muntinlupa**. Attached is the competition mechanics.

Your commitment to nurturing our learners through cultural appreciation would undoubtedly make a valuable contribution to the success of this activity. Should you have any questions or other concerns, you may reach us through e-mail address exploremuntinlupa@gmail.com and look for Ms. Kyle Bejasa.

For your utmost support and kind assistance. Thank you.

Respectfully yours,

MS. SARAH P. BENDAÑA
