Dear Mesdames:

Greetings from CyberGuardiansPH (CGPH)!

CGPH is a non-stock, non-profit membership organization registered with the Security and Exchange Commission. It is composed of individuals & organizations driven & committed to co-creating CyberSafePH for child protection against Online Sexual Abuse and Exploitation or OSAEC, cyberbullying & other forms of cyber threats. Since its creation in March 2019, CGPH annually hosts a leadership summit to gather young changemakers and key stakeholders and duty-bearers to actualize the advocacy through the creation of cybersafe homes and cybersafe schools using the awareness-based systems change process.

This year's **3rd National Youth Leadership Summit** is entitled **PAGSIBOL**, a showcase of CGPH's 2023 program highlights and collaboration with the Pasig LGU and other organizations as we grow and engage communities to empower the youth and spread into action our learnings from the previous Summits.

As we approach the **3rd National Youth Leadership Summit on Safer Cyberspace** this November, we would like to invite your organization to join our:
