Dear Superintendent Ladines,

The UP National Center for Transportation Studies (UP NCTS) is pleased to invite your school to participate in the Safer Schools: Pioneering Road Safety Innovation Contest to commemorate our 30th anniversary and promote road safety awareness among senior high school students.

The Safer Schools: Pioneering Road Safety Innovation Contest is a significant initiative aimed at encouraging young minds to develop creative solutions to enhance road safety in the vicinity of educational institutions. The contest is designed to foster creativity, collaboration, and innovation among our youth, with the ultimate goal of creating safer environments for students in participating schools.

Attached to this email is the invitation letter and contest mechanics. Please encourage your students to participate in this exciting event.

We look forward to receiving your school's registration and to seeing your students' innovative solutions to improve road safety in your community.

Sincerely,

Sgd.

Calling all young innovators and road safety champions!

Safer Schools is an innovation contest organized by the UP National Center for Transportation Studies to promote road safety around schools.

In the Philippines, road injuries is among the top leading causes of death, especially for children 5 to 19 years old (WHO, 2019). With proper intervention, death due to road injuries can be preventable. Safer Schools aims to contribute to this prevention of road injuries around schools in the Philippines and promote safer streets and schools, for Filipino children.

Who can join?

Group of 3-5 Senior High School students

What will happen?

Each participating group shall:

- Identify critical problem area/s in their schools where road safety can be improved.
- Develop an innovation, program, or any solution to address the critical problem area/s identified. This will be refined over the next weeks through the Safer Schools Lecture Series and Mentoring Sessions with experts in the field.
- Produce a 7-minute final pitch.

How to join?

Interested groups must apply by filling out https://bit.ly/SaferSchools_RegForm by October 4 (Wednesday). Accepted groups shall be announced during the Lecture Series on October 7 (Saturday).
