Dear **Regional Director Cabral**:

Greetings!

The Department of Science and Technology (DOST) would like to invite students, parents and educators from schools in NCR to attend the 2023 National Youth Science, Technology and Innovation Festival (NYSTIF) happening on 25-28 October 2023 at the PICC Forum.

The 2023 NYSTIF is themed "STEM VIBE" which aims to portray the Science, Technology, Engineering, and Mathematics (STEM) path as Vibrant, Innovative, Brilliant, and Engaging (VIBE) to today's youth. To achieve this, there will be simultaneous immersive activities such as science, technology, and innovation (STI) – related competitions, talks, meet-ups, tech shows and exhibits in the venue. Attached herewith are the event briefer and schedule for other details.

Interested participants may pre-register by batch through our website at <https://nystif.dost.gov.ph/>.

Should you require any further information, please do not hesitate to contact NYSTIF Support through <https://support.nystif.dost.gov.ph/>. We would be delighted to assist you in any way possible to ensure that the participants will enjoy the event.

We hope that you find this event helpful in promoting STEM education in the Philippines.

We are looking forward to your positive response.

Thank you.

Very truly yours,

MARIDON O. SAHAGUN

Undersecretary for Scientific and Technical Services
