MEMORANDUM
DM-CT-2023-306

TO : All Regional Directors
Schools Division Superintendents
Public and Private Elementary and Secondary School Heads
All Others Concerned

FROM :  **GINA O. GONONG**
Undersecretary for Curriculum and Teaching

SUBJECT : **2023 SCIENCE FILM FESTIVAL**

DATE : September 15, 2023

In support of the Memorandum of Agreement (MOA) between Goethe Institut-Philippinen and the Department of Education (DepEd), the **2023 Science Film Festival (SFF)** with the theme **'United Nations Decade on Ecosystem Restoration'** shall be conducted from October 25 to December 1, 2023. The Festival aims to promote science literacy and enhance awareness of contemporary scientific, technological, and environmental issues through the medium of film and television.

In this regard, learners from both public and private secondary schools particularly the Regional Science High Schools (RSHSs), Legislated Science High Schools (LSHSs), Science, Technology, and Engineering (STE) - implementing schools, and Special Science Elementary Schools (SSES) are invited to watch the films.

Goethe Institut Philippinen will provide a USB flash drive containing all the films for primary and secondary groups. The USB will be distributed to all Regional Offices. Upon receipt of the USB, the Regional Focal Person shall distribute the USB to the schools that will hold the SFF screenings within the festival period from October 25 - December 1, 2023. All USB items shall be returned to the DepEd Central Office on or before December 10, 2023, and shall include a written report on the total number of viewers for the entire festival duration.

All expenses incurred in the distribution of the USB to the different schools and the return to the Central Office shall be charged against the respective office's available MOOE, and other local funds subject to the usual accounting and auditing rules and regulations. The post-screening science activities (games and simple experiments) will also be made available online through this link www.sciencefilmfestival.org. These activities are developed to enhance the science learnings from the films.

Participation of learners shall be subject to a no-disruption-of-classes policy stipulated in DepEd Order No. 9, s. 2005 entitled *Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith*. The activity is also subject to a no-collection policy as stated in Section 3 of Republic Act No. 5546, *An Act Prohibiting the Sale of Tickets and/or the Collection of Contributions for Whatever*

Museo ng
Muntinlupa

17 October 2023

MS. EVANGELINE P. LADINES CESO V

Schools Division Superintendent
Schools Divisions Office - Muntinlupa

Dear **Ms. LADINES;**

It is our delight to share with you that the Museo ng Muntinlupa is one of the venue partners of the **Science Film Festival Philippines 2023 (SFF 2023)** through the **Goethe-Institut Philippinen**. The SFF 2023 is officially a supporting partner of the United Nations Decade on Ecosystem Restoration. This year's theme is "**Reimagine, Recreate, Restore**", a rally call for the protection and revival of the ecosystem around the world.

Running from **October 25 to November 29, 2023**, the SFF will cater to the early learners (5-8 years old), the primary school level (9-11 years old), the secondary school level (12-16 years old), the university level, and the general public.

In relation to this, we are humbly asking your good office for a collaboration by engaging the students to reserve their slots for the SFF. This endeavor will not only help us expand the viewership of the Museo, but may also encourage change and awareness in our youth. Attached is the film screening schedule and invitation for the opening of the Science Film Festival

Should you have any questions, you may contact us thru this number **(02) 8256 3128** or **0928 347 7816** and kindly look for Ms. Michell or Ms. Angelene.

We are looking forward to your positive response. Thank you.

Sincerely,

SARAH P. BENDAÑA
