16 October 2023

Wilfredo E. Cabral
Regional Director
Department of Education - NCR

Dear Dir. Cabral,

Greetings!

The U.P. Child Development Center (UPCDC) is the laboratory school of the Department of Family Life and Child Development, UP College of Home Economics (CHE-FLCD). It offers 12 preschool classes catering to a total of 160 children aged 3 months up to 5 years. It promotes the holistic development of Filipino children through creative and developmentally appropriate learning experiences. One of the ways that the Center achieves this goal is by celebrating Book Week each year which also highlights the value of literacy in the early years.

Since 2018, our Department has partnered with the Department of Science and Technology-Science Education Institute (DOST-SEI) to develop children's storybooks that promote early Math and Science skills. To date, we have produced about 48 storybooks and as part of the UPCDC's Book Week Celebration, we are launching the books together with DOST-SEI. The opening event with the theme "Tuklasin ang Mundo ng mga Kaibigang Libro" will take place on **November 6, 2023, at 1 PM, in the U.P. Child Development Center Auditorium, College of Home Economics, University of the Philippines Diliman.**

During the event, we will feature the work done by DOST-SEI and DLFCDC over the years, including the development of storybooks, conduct of an evaluation research, and the Bukas-Tuklas project. We would like to extend an invitation to your office to attend the event by sending 2 representatives. May we request you to RSVP on or before October 31 and to confirm your attendance through this form:

We hope that you can join us in this celebration. If you have any questions, please feel free to reach us at krconstantino1@up.edu.ph. We look forward to seeing you soon.

Sincerely,

ASST. PROF. KATHLEEN KEISHA CONSTANTINO, MR. JOHN ARVIN BASA, & MR. EDGAR BELDA JR.
