Dear _____:

Greetings of Peace!

Since 1994, the Center for Human Research and Development Foundation Inc. as a non-stock and non-profit organization collaborated to various community stakeholders in providing high quality and relevant learning and development programs. As the new year begins, we have designed year-long professional development programs for non-teaching personnel. We are well aware on the various steps carried out by the Department of Education to improve the education over the years. We are one in lauding and celebrating all these unwavering efforts and achievements.

For an organization to be effective and be able to deliver its intended outcomes, its workforce needs to be skilled, competent and confident. Across all sectors, it means that they are subject to continual change, especially in the Volatile, Uncertain, Complex, and Ambiguous (VUCA) world that we are living. The pandemic is a real game changer. The non-teaching employees' competence requires enhancement and operate by being flexible, agile and continually evolving. Thus, our organization designed the **LEARNING PATHWAYS FOR NON-TEACHING PERSONNEL TRAINING SERIES**. Come December 6-8 2023, we will gather Human Resource Professionals from educational institutions in Baguio City for the **International Seminar Workshop on Strategic Leadership and Management for Human Resource Professionals in Educational Settings**. This a **live-out** learning event, participants will make arrangement for their meals and accommodation.

The training program we prepared is consistent to DepEd Order no. 32, s. 2011 or Policies and Guidelines on Training and Development (T&D) Programs and Activities and DepEd Order no. 40 s. 2020 or Implementation of Learning and Development for Non-Teaching Personnel in the Department of Education in View of the COVID-19 Pandemic.

The follow activities and topics will be covered in this learning event:

Day 1

Opening program, orientation and perspective setting

Session 1: Occupational safety & health
