## National Conference on Curriculum Studies 2023 Foundations of Curriculum Studies in a Changing Social Landscape

November 25-26, 2022 | 8:30 AM to 6:00 PM  
Don Bosco Retreat House Lawaan, Talisay City, Cebu

October 28, 2023

### **WILFREDO E. CABRAL**

Director, NCR  
Department of Education, Philippines

Dear Dir. Cabral:

Greetings!

The Curriculum Studies Association of the Philippines, Inc. (CSAPI) is a SEC-registered professional organization established to be the premier community of curriculum studies experts in the Philippines. It is an affiliate organization of the Asia Pacific Research Association on Curriculum Studies, Inc. (APRACSI), comprising an international board especially from countries in the Asia Pacific region.

CSAPI will be holding its annual National Conference on Curriculum Studies (NCCS) in partnership with Don Bosco Technical College Cebu. The theme is *Foundations of Curriculum Studies in a Changing Social Landscape*. It will be held on November 25-26, 2023, 8:30 AM-6:00 PM in hybrid mode with online attendance and an onsite venue at Don Bosco Retreat House Lawaan, Talisay City, Cebu

The conference will highlight the impact/influences of the disciplinary foundations to the major processes in Curriculum Studies, i.e., curriculum planning, implementation, evaluation, instructional design. The conference is designed to underscore the importance of understanding how the major disciplinary foundations, namely, educational psychology, educational philosophy, educational sociology/anthropology and technology, influence the curriculum processes, especially in light of the current curricular changes and reforms in the country. Principles and theories from these major disciplinary foundations are essential in making curricular decisions to ensure that curriculum products are relevant, appropriate, responsive, effective and efficient.

Our keynote speakers are Fr. Fidel Ma. D. Orendain, SDB from Don Bosco Philippines South Province and Prof. Dr. Amelia C. Fajardo from the University of the Philippines. Attached are the NCCS 2023 posters and program for your perusal of the conference details.

Aside from keynote speeches, there will be plenary sessions in basic education, higher education, and TVET, as well as special plenary discussions on the impact of globalization to Curriculum Studies, and current trends in Curriculum Studies and curriculum designing. There will also be paper presentations focused on the following strands:
