Dear Ms. Ladines:

Greetings!

I hope this letter finds you in good health. I am writing to bring to your attention a matter of significant concern that has been affecting the vicinity around the Muntinlupa Sports Center grounds.

It has come to our notice that a number of public-school students have been practicing and doing extra-curricular activities at the Muntinlupa Sports Center grounds without the necessary approvals. What is even more alarming is that some students seem to be frequently using the grounds without any prior notice. This unauthorized use will help not only poses the safety risks but also disrupts the planned events in the area.

Furthermore, on occasions when there are scheduled events, the unauthorized presence of students results in overcrowding of the parking space and compromise the cleanliness in the vicinity. This creates inconvenience for attendees and organizers alike, making it difficult to manage the events smoothly.

We kindly request your immediate intervention in this matter. It is crucial that our students understand the importance of seeking proper approvals and permissions before using public facilities. We believe that with your guidance, cooperation and help in informing the school principals, we can resolve this issue and prevent any future occurrences.

We kindly urge you to address this concern with the utmost urgency, reinforcing the importance of respecting rules and regulations when utilizing public spaces. Your proactive measures in this will instill a sense of responsibility and discipline among the students.

Thank you for your attention to this matter. We appreciate your cooperation and look forward to your prompt action.

Sincerely,

JOSHUA ROBERT S. COSARE
