To: **Schools Division Superintendents**

Dear Sirs/Mesdames:

Attached is a letter from the University of the Philippines National Institute for Science and Mathematics Education Development (UP NISMED) dated October 18, 2023 signed by Director Sheryl Lyn C. Monterola, Ph. D. inviting school heads and dedicated teachers to their 59th anniversary celebration on **November 20, 2023 from 8:30am to 12:00 noon** at the UP NISMED Auditorium.

In this regard, it is recommended that each SDO send 5 personnel to witness the launching of new resources and attend the lecture. The attendees may be composed of Education Program Supervisor in-charge of Science or Mathematics, school heads and head teachers.

Participants need to register via this link: www.bit.ly/nismedpubliclecture on or before 5:00pm of November 18, 2023. Attendance is free and all registered participants will receive free learning resource materials on a first come first served basis.

For more information, please call (632) 8981-8500 locals 3901 to 3909 or email nismed.upd@up.edu.ph.

Thank you very much.

Very truly yours,

WILFREDO E. CABRAL, CESO III

DR. WILFREDO E. CABRAL, CESO III

Regional Director
Department of Education
National Capital Region
6 Misamis St, Bago Bantay, Quezon City

Dear Dr. Cabral:

Greetings!

I trust this letter finds you in good health. On behalf of the University of the Philippines National Institute for Science and Mathematics Education Development (UP NISMED), I extend a warm invitation to you, along with your distinguished school heads and dedicated teachers, to our 59th anniversary celebration on 20 November 2023.

In line with this, we are organizing the launch of our new resources and a public lecture at the UP NISMED Auditorium from 8:30 a.m. to 12:00 noon. The event will also be live-streamed on the Facebook pages of UP NISMED, Go Teacher Go, and KaSaMa Teachers Community.

With the theme "*Fueling Sustainable Growth through Tech-Driven STEM Teaching and Lifelong Learning*," the public lecture's main focus is to empower educators as catalysts for educational innovation through the integration of emerging technologies into STEM teaching and lifelong learning. It emphasizes the pivotal role of teachers in driving transformative change and lifelong learning, while highlighting the numerous benefits of incorporating emerging technologies in education.

To participate in this event, please register for FREE using this link: <https://bit.ly/nismedpubliclecture> on or before November 18, 2023 (5:00 p.m.). Participants who complete the event's evaluation form will receive a certificate of attendance.

Participants who will be attending the event in person will receive free learning resource materials on a first come first served basis.

We look forward to your presence at this event and we hope to see you all.

Very truly yours,
