Dear **Ms. Ladines:**

Greetings!

We recognize the efforts of the School Division Office in ensuring the implementation of Gulayan sa Paaralan as well as the WINs program in all public elementary and secondary schools. These activities are part of the nutrition sensitive programs under the Philippine Plan of Action for Nutrition and the members of the nutrition committee are interested to conduct a visit on the aforementioned programs in the different public elementary schools.

In this regard, may we ask your good office to allow the members of the City Nutrition Committee to conduct the monitoring visit in November in at least 16 elementary schools? We would also like to request the assistance of Ms. Ma. Teresa S. Indap in the conduct of this said activity.

Your favorable response to this request will be greatly appreciated

Thank you very much.

Sincerely yours,

MAGDALENA C. MEANA, MD, MPH
City Nutrition Action Officer
