Dear Ma'am Andaya :

Southville International School affiliated with Foreign Universities (SISFU) is celebrating its 26th anniversary in February 2024. As part of our traditions, one of our main events is the **Global Dimensions Olympiad (GDO)'s Search for SISFU Scholars**. This event seeks for deserving students who will be awarded a scholarship from our partner institutions that include De Montfort University and Pearson UK.

The search for scholars is consists of two phases. The first phase is an academic examination among Grade 12 students. SISFU aims to invite the top 20% of the graduating class of the different schools nationwide, with at least a GPA of 85%. It will be held on **13 January 2024** at the Southville Luxembourg Hall in SISC, Las Piñas, Metro Manila.

The second phase, the much-awaited (final) round will be held on **23 March 2023**. It consists of an academic oral competition. This round usually centers on Global Awareness, Knowledge of World Leaders and Figures, History, Economics, Geography and Demography.

Students coming from the different schools, especially government schools, may likely seek the endorsement and approval of the Department of Education. In this regard, SISFU would like to take the initiative to get DepEd's indorsement of the said activity. This event will give deserving students the opportunity to acquire an international degree without leaving our beloved country.

SISFU is more than willing to entertain questions pertaining to the said activity so please feel free to contact our Registrar, Christine Biola at +63998-963-3289, or our Administration Manager, Cristina Aguilar-Borja at cristina@southville.edu.ph OR at +63998-963-5288.

We look forward to your kind approval of this request.

Respectfully,

NANCY L. DE GUIA, RHDM, CGSP
Executive Vice President/Dean of Academics

Be Amazing. Be Southville.
