DR. EVANGELINE P. LADINES, CESO V
Schools Division Superintendent
Division of Muntinlupa City

Dear Dr. Evangeline,

We, at Every Nation Campus, would like to express our sincere thanks for all that you do for the students of Muntinlupa City. We are a global campus organization passionate about preparing students for LIFE. We achieve this by teaching and coaching students in the areas of Leadership, Integrity, Faith and Excellence; and empower them to live out their purpose, and pursue life-giving relationships with others and with Jesus.

The endeavor of raising the next generation in our country has become even more urgent as the following Philippine statistics, taken a few years ago, indicate:

- #1 in HIV in Asia Pacific (Source: UN AIDS)
- 40 Filipinos are diagnosed with AIDS EVERY DAY (Source: HIV/AIDS Registry of the Phils.)
- 500 Filipina youth give birth EVERY DAY (Source: Commission on Population)
- Social Media capital of the world. 4 HOURS WASTED EVERY DAY. (Source: wearesocial.com)
- 2.6M Filipinos are depressed (Source: Global Burden of Disease)
- 7 Filipinos commit suicide EVERY DAY (Source: Inquirer.net)
- Suicide is the leading cause of death AMONG 15-29 YEAR OLDS (Source: World Health Organization)

As many young people suffer the impacts of broken/dysfunctional families and wrong influences around them, many are making wrong and destructive choices in the areas of romantic relationships, sex, and marriage. It is imperative for us to be able to engage them and do what we can to influence, educate, and journey with them to help them make sound choices. This coming February, there will be a key opportunity for us to be able to do this.

We will be holding a three-part event at the fourth floor of the Muntinlupa Plaza Central on February 9, 16, and 23 that will feature talks on true love, sexual purity, and having a vision for a godly marriage and family. There will be two time slots at 2:00-4:00pm and 6:00-8:00pm and admission is free.

We would like to humbly ask for your endorsement for all the Junior High School and Senior High School Classroom Officers of Tunasan National High School, Muntinlupa National High School, and Muntinlupa Science High School to attend the three-week event. We believe that engaging and coaching these leaders would be strategic for us to be able to help the rest of the student population in these schools.

We are confident that attending this three-week event will greatly impact their lives and would benefit not just them, but those around them, the schools they are in, and even their future families.

If you have any questions or clarifications, please feel free to contact me at 09178547098 or daniel.carandang@everynationcampus.org. Thank you so much once again and we look forward to your favorable response.

Respectfully yours,

Daniel D. Carandang
