3. The Division Learners' Rights and Protection (LRP) Committee and the Division Legal Unit shall have close coordination and collaboration in providing immediate assistance on case management and resolution, determining the needed psychosocial intervention programs and referrals to agencies and other concerned individuals for further appropriate action.

4. The Committee shall also perform the following functions pertaining to the right of the child to protection in basic education:

- a. Formulate policies concerning all matters pertaining to the right of the child in basic education to protection from all forms of violence, abuse neglect, cruelty, exploitation, and maltreatment, consistent with the overall framework of the Department to realize child rights in basic education;
- b. Serve as the lead office of the Division in planning, implementing, coordinating, monitoring, and evaluating programs, projects, and activities, including intervention mechanisms, related to child protection at different governance levels of the Division;
- c. In coordination with various offices of the Division, give due emphasis to integration of child protection in the basic education curriculum, instruction, and assessment;
- d. Initiate and coordinate cooperation and partnership activities with other government agencies, local government unit, non-government organizations, civil society organizations, international organizations, and other key education partners and stakeholders in the implementation of the child protection policies, programs, and activities of the Department;
- e. Establish and maintain a monitoring and reporting mechanism for child-protection-related concerns.

5. At the school level, the Child Protection Committee, created under DO 40, s. 2012 or the Child Protection Policy, shall remain as the structure for planning, implementation, monitoring and evaluation, reporting, and coordination of child protection concerns.

6. Immediate and wide dissemination of this Memorandum is directed.
