1. In line with the DepEd Memorandum No. 016, s. 2024, titled **Administration of the Early Language, Literacy, and Numeracy Assessment, National Achievement Test for Grade 6, and National Achievement Test for Grade 12 for School Year 2023-2024**, the Division specifies the testing dates based on the testing windows prescribed by the Bureau of Education Assessment for NAT Grade 12 as follows:

Assessment Program	Test Administration (Based on Testing Window)	Target Participants/Test-Takers

Reminders:

1. The testing centers need to assign one **Room Supervisors** for every **10 Testing Rooms**.
2. Each school should take charge of transporting their students to their respective testing centers ahead of time. Ocular inspection should be done at least a day before the actual exam.
3. The School Head or the assigned School Testing Coordinator (STC) shall take the testing materials from the SDO, send the test materials to the assigned testing center, release the test materials to the assigned Room Examiners, retrieve the ETREs, prepare the CETRE for own school, and return the same to SDO immediately after the test administration.
4. The Chief Examiner should be the School Head of the identified testing center.
5. In case there are more than 2 schools clustered in one testing center, each school should accomplish separate ETRE and CETRE.
