Dear **Ms. Ladines,**

Greetings!

The City Health Department (CHD) in partnership with the Department of Health – Metro Manila Center for Health Development (DOH – MMCHD) will be conducting a community playbook, **Sayawit Kontra Bisyo 2024, on Thursday, May 16, 2024, at the Activity Center, Ayala South Park, Muntinlupa City.** This activity is a group talent showcase contest that will provide opportunities for the participants to showcase their creativity, style, talents, and skills through the arts of singing, dancing, playing an instrument, and other activities that will help boost the self-esteem, confidence, and assurance of the participants and bring the community together. It aims to help prevent the use of alcohol, tobacco, and drugs among children, teens, and young adults that might lead to delinquency. On top of that, to inspire the youth to do worthwhile and productive activities that will promote a healthy lifestyle.

In year 2023, the City Health Department conducted the same activity. And the event was a success with the support of your good office in providing participants.

In view of the foregoing, we humbly ask for your assistance once again in cascading information about the aforementioned activity to schools. Moreover, we kindly request to invite students in grades 7 through senior high school from various public schools in Muntinlupa City to participate in the contest. Interested participants may register at bit.ly/ParticipationFormSKB2024. Participants who participated in the previous year's contest and are interested in participating again this year are not eligible to use their previous entry.

You may find attached to this letter information regarding the activity. Should you have any concerns, you may contact our Health Promotion Staff, **Ms. Mirriam Gahon** at **09152639111** or **Ms. Irra Aguilar** at **09508343133**.

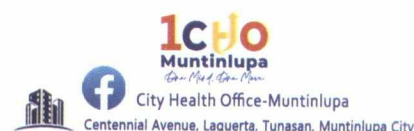

Thank you very much and hoping for your favorable response.

Respectfully yours,
