Dear Mayor Ruffy Biazon,

We hope this message finds you well.

May we invite you together with Ms. Violeta M. Gonzales (OIC-ASDS), Ms. Madeline Ann L. Diaz (Chief, CID), Mr. Lambert Quesda (EPS Math) and Dr. Armida Oblinada (EPS Science) to a 30-minute face-to-face meeting to discuss our **#TRANSFORM  : NO CITY NO CHILD LEFT BEHIND** program. **#TRANSFORM** offers a strategic, cohesive three-prong solution to help your city's educators strengthen critical foundations and help close learning gaps for Gr 1-6 public school students and help support non-Math/Science specialist Gr 1-6 teachers' needs.

Alpha EduTech Solutions, Inc. (AESI), provides educational resources such as (1) KooBits, Singapore's top edutech portal, used by 70% of Singaporean students to top Math and Science assessments worldwide, our (2) MPwr+ - curated unique and powerful Manipulatives for critical Math foundations, and (3) MPwr+ unique Teacher Training programs to transform classrooms into critical thinking, creative thinking, and problem solving oriented dynamic learning spaces.

Discover the SECRET behind how Makati City's Gr 1-6 public school students topped their Math assessments after only 2.5 years in the **#TRANSFORM** program.

FEEL the CHANGE, FEEL the MAJOR DIFFERENCE with AESI's **#TRANSFORM  : NO CITY NO CHILD LEFT BEHIND** program TODAY.

Hoping we can discuss this week your goals and how we can easily support your team on a Mastery and Learning recovery program for Gr 1-6 Math and Science with a PROVEN and TESTED program.

Looking forward to your favorable response.

# Who are we?

**Alpha EduTech Solutions, Inc. (AESI)** is a company that provides educational consultancy, educational resource distribution, and teacher training for private and public schools. Founded in 2014 and led by Ms. Ina Cuisia-Sehwani (Masters in Elementary Education, Columbia University) and Ms. Julienne Vital-Sison (NYU Stern), AESI partners with private schools, DepEd officials and national and local governments to improve learning outcomes. Our goal is to transform classrooms into interactive, meaningful, impactful environments that foster critical and creative thinking and problem-solving skills, empowering teachers and students to achieve their maximum potential.

**AESI's TRANSFORM  : NO CITY. NO CHILD LEFT BEHIND** program focuses on strengthening critical foundations and closing learning gaps in elementary Math and Science. AESI is the PH pioneer distributor of KooBits Math and Science, used by 70% of Singaporean students, who continue to top Math and Science assessments worldwide. AESI is the exclusive distributor for Philippine government partners. AESI's pilot government partner is Makati City where 100% of Grades 1 to 6 public school students have been using the KooBits Math portal for four years. Within two and a half years, these students topped the local and global Math assessments.
