Dear Dr. Gonzales,

PAX!

The Public Employment Service Office (PESO) will be holding its annual Career Guidance Advocacy Program (CGAP) or the Career Development Support Program (CDSP). Through this program, we endeavor to guide the Grade 10 students in making their decision on which SHS track and strand to choose based on their interests, abilities and the labor market demands.

For this year, we wish to roll-out the CDSP, which will serve approximately 5,064 Grade 10 Students from both public and private schools in the City. In this light, I would like to request for an endorsement from your good office for the implementation of Career Development Support Program (CDSP). Also, we would like to request a certification of the total population of Grade 10 student for SY 2024-2025 both public and private (with dry seal). This is necessary for the implementation of the program and is required by the Department of Labor and Employment in compliance with the Search for BEST PESO Award entry.

Please refer to the schedule below which was plotted and coordinated with the guidance counselor/focal person for each of the schools.
