Dear **Dr. Gonzales:**

SEAMEO INNOTECH National Teachers Month Knowledge Forum 2024
"Hi, AI: The Teacher's New Ally"
04 October 2024, 13:00 HRS, Pearl Hall SEAMEO INNOTECH

In observance of the National Teacher's Month Celebration, SEAMEO INNOTECH will conduct a Knowledge Forum entitled ***"Hi, AI: The Teacher's New Ally"***. This will be held on **October 04, 2024, Friday from 1:00 to 5:30 pm** at the Pearl Hall of SEAMEO INNOTECH in Quezon City.

This year's celebration is envisioned as an afternoon learning session with the program's theme representing a forward-looking approach to education, where artificial intelligence is not merely a tool but a collaborative partner in enhancing teaching and learning. By integrating AI thoughtfully and ethically, educators can unlock new possibilities for personalized education, streamline their workflows, and ultimately foster a more engaging and supportive learning environment for all students.

The objective is to create a comprehensive and engaging forum that supports teachers in leveraging AI as a valuable ally in their educational practices by exploring AI Tools for Education, sharing best practices, and addressing challenges and concerns.

In this regard, we are pleased to invite six (6) teacher representatives from your Division to join us in the said Forum. Registration is **FREE**, and participants will be accommodated on a per-slot basis. The provisional program is attached for your reference as well as the registration link wherein recommended participants can register online (<https://bit.ly/NTM2024-Reg>)
