The 2024 DepEd NCR Gawad Primero Search

I. Rationale

In line with DepEd Order No. 78, s. 2007 titled, Strengthening the Program on Awards and Incentives for Service Excellence (PRAISE) of the Department of Education and CSC MC 01, s. 2019, Revised Guidelines on the Search for Outstanding Government Workers for 2019 and Years Thereafter, DepEd NCR supports CSC's advocacy to strengthen the merit and reward system in the civil service to promote integrity, competence, excellence, and distinction through the GAWAD PRIMERO.

The GAWAD PRIMERO aims to recognize and reward officials and employees for their embodiment of DepEd NCR values of resilience, integrity, service, and excellence in public service, whether individual or in groups, as well as their suggestions, inventions, superior accomplishment, and other personal efforts which contribute to the efficiency, economy, or other improvements in government operations, or for other extraordinary acts or services for the public interest.

DepEd NCR PRAISE is a mechanism for the agency to recognize its employees' exemplary performance, excellent and highly commendable achievements, heroic deeds, extraordinary acts in fulfilling one's duties, and outstanding innovations and creations. It is linked to other human resource processes of DepEd NCR, such as the Results-Based Performance Management System (RPMS), Succession Program Management, Learning and Development (L&D), and Rewards and Recognition (R&R).

The focus will be on their ability to demonstrate pedagogical expertise, creativity in lesson delivery, and the capacity to engage students in meaningful learning experiences despite the pressure of limited preparation time.

On the spot, one-hour procedure:

- The finalist will draw from a fishbowl of learning competencies, and one learning competency shall be taught in the Demonstration Teaching.
- He/She will prepare a lesson plan and instructional materials on a workshop table for 45 minutes.
- The finalist will be provided with supplies and references including a laptop connected to the internet to allow the search for digital visual aids (not for downloading lesson exemplars).
- The lesson plan may be done using the laptop or may be handwritten.
- He/She will execute the prepared lesson plan for 15 minutes.
- A five-minute clarificatory interview may be done right after the demonstration.
- The judges/observers who will serve as learners will use the RPMS-COT, i.e., observation guide (rubric) and rating sheet.

Scoring: The determination of points will be done through the Inter-Observer Agreement wherein observers/judges individually accomplish the rating sheet and arrive at a collegial final rating (NOT the average of the observers' ratings). The collegial final rating/score will be transmuted as follows:

Highly Proficient Teachers (MT I-IV)

7.5-8.0	=	10
6.5-7.49	=	8
5.5-6.49	=	6
4.5-5.49	=	4
