DR. VIOLETA M. GONZALES, CESO VI
 OIC – Schools Division Superintendent
 School Division Office – Muntinlupa City

Dear Dr. Gonzales,

Greetings of peace and goodwill!

We would like to express our sincerest gratitude for continuously co-sponsoring the conduct of **2024 Muntinlupa City Robotics Fair and Emerging Technologies Exhibits on November 20-22, 2024**, together with the DOST-NCR, and Dela Salle Santiago Zobel School. Our theme for this year is *"Siyensa, Teknolohiya, at Inobasyon: Kabalikat sa Matatag, Maginhawa at Panatag na Kinabukasan"* with a sub-theme *"Emerging Technologies and Innovations for Inclusive Economic Development and Sustainability"*.

This event seeks to enjoin different public and private high schools and colleges in MUNTAPARLAS Cluster to reinforce their awareness in science, technology, and innovation through interactive, fun, and challenging application of cutting-edge robotics and exhibits. It also aims to spark awareness and interests among students and professionals to design, innovative, and improve robotic technologies in making possible solutions to problems related to current environmental concerns/issues.

In line with the conduct of this event, we are inviting your schools to participate in the activities of the Robotics Fair and Exhibits. It will be composed of Robotics Exhibit Competition, Robotics Non-Competing Exhibits, 3D Printing Competition, Science QueST Quiz Show, Robotics Cosplay, Research Colloquium, Interactive Workshops and Seminars,

Registration runs from September 16 – November 11, 2024. Mechanics and registration forms are available through this link: https://cdm.edu.ph/2024_robotics. Please always check this link as we will be uploading other relevant forms from time to time.

Interested schools may also follow our official Facebook page at <https://www.facebook.com/MuntinlupaRoboticsFair> for the latest announcements and updates.

Should you need further clarifications, you may coordinate with this year's registration head Dr. Cristina Lara on 0969-1754037. We look forward to a positive response to this request and we are very much excited for the participation of different schools from NCR.

Sincerely,

DR. TERESITA C. FORTUNA, CESO III
 College President
