Dear Ma'am / Sir:

Magandang Buhay po!

Our team would like to respectfully request your support for the upcoming Free Psychologist Assessment for Muntinlupeno Children in relation to our Project AGAP (Agarang Gabay at Alalay na Pambata).

In compliance with Mayor Ruffy's Executive Order 18 s. 2024, the City Health Office and SDO Muntinlupa are integral parts of the Project AGAP Protocol and are duty bound to address the medical and educational needs of children with disability and aggressively promote early detection and intervention.

Furthermore, in observance of the signed MOA between the City Government of Muntinlupa and The Bellevue Manila (TBM) , we are requesting for the TBM Management for the provision of venue for the Project AGAP Partnership as stipulated on the said agreement.

With this, we humbly request the City Health Office for the provision of 1 Licensed Psychologist that will help assess the children with disability on the selected remaining wednesdays and fridays of 2024.

We would also like to ask our SDO Muntinlupa to disseminate information, refer and coordinate with Ms. Susana Canete, their students with disability who are in need of Psychoeducational Assessments. May we also request to pull-out students during class hours and be accompanied by their parents to avail of this free service.

Muntinlupa PDAO shall provide the Assessment Tools , pool and schedule the SPED Students for this activity. Ms. Susana Canete shall coordinate the schedule and roster of patients / students that need to be assessed.

To give further context, the Project AGAP team is looking to achieve 500 Children Assessed for 2024. Currently, our accomplishment is 144 (Developmental Pedia Assessments), thus making a variance of a whopping 356 Children (available slots as of Nov. 4, 2024). We have tried different approaches and avenues to solve this such as Direct Contracting and KMAC Financial Assistance but it has not been as successful or efficient as we have projected so this is our "Plan B" to still be able to reach the goal of 500 CWDs assessed.

Our team looks forward to your usual prompt and favorable response on our request. Our team can be contacted through Ms. Susana Canete at 09943927309 or email: muntinlao@gmail.com for inquiries and concerns.

Thank you very much and Godspeed!

Para sa Bata.
Para sa May Kapansanan.
Para sa Bayan!
Padayon Muntinlupa PWD!

With all due respect and admiration,

CARYL G. DE GUZMAN, MD.
