November 18, 2024

VIOLETA M. GONZALES

Schools Division Superintendent

DepEd City of Muntinlupa

Dear SDS Gonzales,

I hope this letter finds you well.

Khan Academy Philippines will conduct a Holiday Party with the theme *Celebrating Teachers and DepEd in the Digital Age* from 5:00 pm to 8:00 pm on December 10 at Isla Ballroom of EDSA Shangri-la Plaza. We have two concerns we would like to bring up to you in this regard:

1. INVITATION TO HOLIDAY PARTY

It would be our pleasure to have your presence in the above-mentioned event. You may access the invitation here: www.bit.ly/khanpartyinvite. If you are coming, please RSVP by November 25 via this link: www.bit.ly/khanrsvp1210. Kindly note that this invitation is non-transferrable.

2. REQUEST FOR TEACHER TO ATTEND TRAINING AND HOLIDAY PARTY

Part of the event is an exhibit of Khanmigo, the Khan Academy AI tool. We would like to invite the following teachers:

SCHOOL	NAME OF TEACHERS
Putatan ES	Evangeline Ramos
Putatan ES	Lorraine Lelis
Soldiers Hills ES	Gracita Valladores

We have chosen these teachers because they are very active on the Khan Academy platform where majority of their learners are doing well in the pilot program.

To equip and maximize their full potential, we shall conduct a face-to-face training on **November 24, 2024 from 8:00 AM to 12:00 NN at the Samsung Office, 9/F Science Hub Bldg., Tower 4, McKinley Hill Cyber Park**. Attendance is important for all teachers involved as this session is part of our continuous collaboration and professional development initiative. We shall issue a Certificate of Recognition for their participation in the December 10 event.

Should you require any additional information or have any specific concerns, feel free to reach out to Bernadeth Daran, our Director for Curriculum and Learning Design, via her mobile number 0917-5312388 or email her at bernie@khanacademyphilippines.org.

Thank you for your cooperation and support in facilitating this important activity.

Warm regards,

Denise Fabella

Executive Director
