Gentlemen:  
 Please furnish this Office the following articles subject to the terms and conditions contained herein:

Place of Delivery : Schools Division Office - Muntinlupa City Delivery Term : Delivered At Place  
 Date of Delivery : on or before December 24, 2024

Stock/Property No.	Unit	Description	Quantity	Unit Cost	Amount
	Unit	<p><b>Wifi All-in-one Inkjet printer with ADF</b>  <b>Print , Copy , Scan, ADF, Fax</b>                      High-efficiency multifunctional inkjet system, utilizing piezoelectric micro-actuation for ink delivery through a thermal-free micro-piezo printhead. This configuration ensures precise ink placement at 5,760 x 1,440 dpi, with industry-leading low energy consumption.</p> <p>Performance and Efficiency: optimized for high-volume operations with a rated ISO print speed of 10 ppm (monochrome) and 5 ppm (color), with first-page-out times of approximately 10 seconds (black) and 16 seconds (color). The ink tank system provides up to 4,500 monochrome and 7,500 color prints from the initial ink bottles, utilizing a gravity-fed refill system for precise ink control.</p> <p>Document Handling: Equipped with an Automatic Document Feeder (ADF), capable of handling up to 30 sheets, the system is designed for high-efficiency duplex scanning. The scanner supports optical resolution up to 1,200 x 2,400 dpi and utilizes dual-axis image correction for distortion-free reproduction of documents and images.</p> <p>Connectivity: Connectivity is facilitated by dual-band Wi-Fi, Wi-Fi Direct, and Ethernet for robust networking in managed environments. USB 2.0 connectivity is included for direct, local communications. The unit also integrates with Epson Smart Panel for mobile management and remote diagnostics, streamlining workflows.</p>	4	16,990.00	67,960.00
		<p>Ink System: uses a non-pressurized ink tank system with sealed refillable reservoirs designed to minimize leakage and mess during ink replacement. Each ink bottle is equipped with key-lock technology to ensure the correct installation of the colorant and reduce user error during refills.</p> <p>Operational Characteristics: The device's low thermal dissipation architecture minimizes power draw during idle states, aligning with global energy-efficient standards. The unit's compartmentalized ink supply ensures uniform delivery and prevents air intrusion, contributing to its high-volume capability and reliable long-term performance.</p> <p>Warranty: 1-year parts and service coverage, supporting reliable post-purchase maintenance.</p>			
	unit	<p><b>All-in-one inkjet printer (Print, Copy, Scan)</b>                      Print Technology:                      Print Type: Inkjet (Piezoelectric with Micro Piezo print head technology)                      Color Printing Capability: Yes, color and black-and-white                      Ink Droplet Size: As small as 3 picoliters                      High Precision Print Head: With 180 nozzles for black and 59 nozzles per color (Cyan, Magenta, Yellow)                      Print Resolution:                      Maximum Print Resolution: 5760 x 1440 dpi                      High-quality Micro Piezo Technology: Ensures sharp text and vibrant graphics                      Print Speed:                      ISO/IEC 24734:                      Black: Up to 10.5 ppm (pages per minute)                      Color: Up to 5 ppm                      First Page Out Time (Black/Color): Approximately 10 seconds</p>	7	11,990.00	83,930.00
