Advisory No. 012, s.2025

February 26, 2025, 2025

In compliance with Deped Order (DO) No. 8, S. 2013
This advisory is issued for the information of Deped officials,
Personnel/staff, as well as the concerned public.

**INVITATION TO THE (BIOTA-NCR) 2ND ANNUAL REGIONAL
CONVENTION IS: REFLEXIVITY IN BIOLOGY EDUCATION AND
RESEARCH**

Attached is a letter from Socorro E. Aguja, PhD. President, BIOTA-NCR Chapter, dated February 7, 2025, on the above- mentioned title, content of which is self-explanatory, for the information and guidance of all concerned.

Participation of public and private schools shall be subject to the no-disruption of classes policy stipulated in Deped Order No. 9, s, 2005 entitled "Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith."

Moreover, schools are reminded of the "No Collection and No Selling of Tickets Policy" stipulated in Deped Order Nos. 19 and 40, s. 2008 and RA Nos. 4206 and 5546.

Dr. Violeta M. Gonzales
OIC – Office of the School Division Superintendent
SDO Muntinlupa

Dear Dr. Gonzales,

Greetings!

The Biology Teachers Association, National Capital Region (BIOTA-NCR) chapter, in partnership with the Graduate School, De La Salle Araneta University, cordially invite you and your teachers to the BIOTA-NCR 2nd Annual Regional Convention and Scientific Meeting. The theme for this year's convention is: **Reflexivity in Biology Education and Research**. The conference is slated on March 15, 2025 from 8am-5pm in the Forum Hall of De La Salle Araneta University, Victoneta Avenue, Malabon City,

This scientific convention marks a significant milestone for BIOTA-NCR, and we are thrilled to share it with you and your teachers. The activities we have lined up aim to encourage critical self-reflection on our practices and methodologies within the biological sciences in both the pedagogy and research aspects. We will explore how reflexivity can enhance the quality of both education and research, fostering a more inclusive and impactful approach.

The convention will include panel discussions, workshops, poster presentations, exhibit and networking opportunities. We have assembled a distinguished group of panel discussants and workshop facilitators who will share their expertise, insights and experiences on this important topic. Thus, the convention promises to be an engaging and thought-provoking event. A simple lunch and snacks will be served. No registration fee is required but we enjoin your teachers to officially register as member of the BIOTA-NCR with an annual fee of 300Php.

To confirm your attendance and the teachers in your schools, please RSVP by February 17, 2025 and send an e-mail to socorro.aguja@dlsau.edu.ph. We value your presence, thus we will be truly delighted to have you and your teachers join us as we celebrate our achievements and look towards the future of biology education and research. Registration is through the QR code to the attached poster. Thank you.

Sincerely,

Socorro E. Aguja, PhD
