**Dear Secretary Angara:**

5. Establish a centralized platform where librarians and officials can personally select, inquire about, and engage with publishers, thereby consolidating a wide array of available materials in the market for potential library acquisitions; and
6. Recognize and honor exceptional public libraries, librarians, and staff with awards and accolades.

This conference is expected to be attended by public librarians, officers-in-charge, and public library staff, including local government officials and staff, library and information science students, registered librarians, and other stakeholders.

In this regard, the agency would like to request that DepEd Endorsement be made to authorize and/or enjoin the library and information professional and other interested stakeholders in public schools to actively participate in the conference as part of their professional learning and development to facilitate effective and efficient library services in their locality.

The 2025 National Conference of Public Libraries will entail a registration fee covering the conference fee, conference kits, meals during activity proper of Days 0-3 (excluding dinner and breakfast), and training certificates. An optional educational and cultural tour will also be available on Day 4 for interested participants, with a separate participation fee.

Please note that accommodation and other expenses relevant to the participation in this activity shall be borne by either the participant or their local government units and/or parent institutions, subject to the availability of funds and the usual accounting and auditing rules and regulations.

To confirm your participation, kindly RSVP by answering this Google Registration Form through this link <https://bit.ly/2025NCPL> or by scanning the QR code below. The working committee will need a head count of onsite participants to prepare all necessary logistical requirements (meals, training kits, certificates, etc.).
