February 21, 2025

Dr. Jocelyn DR Andaya
Assistant Secretary for Operations
and Regional Director for the National Capital Region
Department of Education
Meralco Avenue, Pasig City

Dear Asec. Andaya,

Good day.

I am writing as Chairperson of the Senate Committee on Basic Education to request for an on-the-ground consultation with school leaders, teachers, learners, and parents so we could listen and address their concerns, issues or perceptions on the current implementation of the Senior High School (SHS) Program under Republic Act No. 10533, or the "Enhanced Basic Education Act of 2013". The second part of the consultation will focus on a proposal to reform the SHS Program under House Bill No. 11213 ("An Act Providing Education Pathways for Basic Education Students, and Appropriating Funds Therefor") which was approved on Third Reading by the House of Representatives on January 28, 2025, to allow us to prepare for the public hearing(s) of the counterpart bill in the Senate.

The Committee is proposing to hold this consultation on March 4, 2025, Tuesday, from 10:00 am to 3:00 pm, preferably in a school within the National Capital Region (NCR).

The participants are requested to be composed of the following:

1. school leaders (supervisors, principals, or school heads) representing each of the 16 cities of the NCR;
2. teachers who are part of the implementation of the SHS Program, with at least one representative from each of the 16 cities of the NCR;
3. learners currently enrolled in the Academics Track under the SHS Program, with at least one representative from each of the 16 cities of the NCR;
4. learners currently enrolled in the Technical-Vocational-Livelihood Track under the SHS Program, with at least one representative from each of the 16 cities of the NCR;
5. parents of learners currently enrolled under the SHS Program, with at least one representative from each of the 16 cities of the NCR; and
6. parents of learners currently enrolled in Grade 10, with at least

The Committee will further coordinate with you for the flow of the consultation proper so we could jointly design the program.

Should you need additional information or any form of support for this requested undertaking, please do not hesitate to contact the Committee.

Thank you for heeding my request for indispensable and expert assistance.

Very truly yours,

WIN GATCHALIAN

Discussion Guide

THE SENIOR HIGH SCHOOL PROGRAM

RA 10533 and HBN 11213

Committee on Basic Education

Office of Sen. Win Gatchalian

SESSION 1 – PERSPECTIVES ON THE CURRENT SHS CURRICULUM

The first part of the session shall gather insights from participants regarding their concerns and perceptions on the current implementation of the Senior High School (SHS) Curriculum under Republic Act No. 10533.

Proposed Questions and Discussion Points

1. Understanding the SHS Curriculum

- a. In your view, what is the main objective of the SHS Curriculum?
- b. Why do you think the government introduced two additional years of upper secondary education?

2. Assessment of SHS Objectives

- a. Do you believe the SHS Program has successfully achieved its intended objectives? Why or why not?
- b. What significant challenges have you encountered that may have hindered the program's success? *(Can probe for specific issues related to curriculum design, teacher readiness, industry linkages, student preparedness, employability, and higher education readiness)*

3. Recommendations for SHS Reform

- a. If you had the opportunity to reform the SHS Curriculum, what are the top 1 or 2 changes you would propose?

SESSION 2 – DISCUSSION ON PROPOSALS UNDER HBN 11213

The proposal to reform the SHS Program under House Bill No. (HBN) 11213 (*"An Act Providing Education Pathways for Basic Education Students, and Appropriating Funds Therefor"*) shall be introduced to participants, with its key proposals highlighted.

Proposed Questions and Discussion Points

1. Initial Reaction to HBN 11213

- a. What are your thoughts on the key points introduced under HBN 11213?

2. Optional Senior High School

- a. If SHS is no longer mandatory, would you (or your child) still enroll in Grades 11 and 12? Why or why not?

3. Technical-Vocational Pathway under TESDA

- a. Do you think transitioning the Technical-Vocational Pathway completely to TESDA will improve the employability of technical-vocational graduates?

4. University Preparatory Pathway (UPP) vs. 10-Year Basic Education

- a. Do you believe the proposed UPP would better prepare students for higher education?
- b. Should the existing 10-year basic education curriculum be made sufficient to prepare students for tertiary education instead?

5. Introduction of an Honor's Examination for Grade 10 Completers

- a. Do you agree with the proposal to introduce an Honor's Examination as an alternative pathway for Grade 10 completers to enter tertiary education? Why or why not?

6. Equity In Education

- a. Do you think the proposed reforms under HBN 11213 will lead to a more equitable education system?

7. Unintended Consequences

- a. What are the potential concerns or unintended consequences that should be considered under the proposal?

AN ACT

PROVIDING EDUCATION PATHWAYS FOR BASIC EDUCATION STUDENTS, AND APPROPRIATING FUNDS THEREFOR

Be it enacted by the Senate and House of Representatives of the Philippines in Congress assembled:

1 **SECTION 1. Short Title.** -- This Act shall be known as the "Education Pathways Act".

2

3 **SEC. 2. Declaration of Policy.** -- It is the policy of the State to protect and promote
4 the right of all citizens to quality education at all levels and shall take appropriate steps
5 to make such education accessible to all. The State shall further establish, maintain,
6 and support a complete, adequate, and integrated system of education relevant to the
7 needs of the people and society.

8

9 To this end, the State shall ensure opportunities for Filipinos, regardless of age,
10 background, ethnicity, disability, and association, to attain their maximum potential and
11 enhance their employability by establishing inclusive education pathways that empower and
12 equip the learners with the competencies that are necessary for college or employment.

13

14 **SEC. 3. Education Pathways for Completers of Junior High School.** -- Upon completing
15 Junior High School, the students shall choose between two education pathways:
16 the University Preparatory Program under the Department of Education (DepEd) or the
17 Technical-Vocational Program under the Technical Education and Skills Development
18 Authority (TESDA).

19

20 **SEC. 4. Career Guidance and Assessments of Students.** -- Career guidance and
21 counseling services, including aptitude and interest assessments to assist in selecting

1 appropriate paths, as provided in Republic Act No. 11206, or the "Secondary School
2 Career Guidance and Counseling Act", shall be indispensable and crucial in aiding
3 the students to make informed decisions about their preferred educational pathway.

4
5 The DepEd shall administer various relevant assessments, including Early Language,
6 Literacy and Numeracy Assessment and National Achievement Tests, to all elementary
7 and secondary students across all levels. These assessments aim to evaluate their
8 competencies and strengths. The results must be communicated to the students and their
9 parents or guardians to provide them with ample time to consider their educational and
10 career paths. These results shall also serve as a guide to the DepEd and teachers in adjusting
11 and refining their teaching approaches to enhance effectiveness in student learning.

12
13 The DepEd, TESDA, Commission on Higher Education (CHED), Department of
14 Labor and Employment (DOLE), Department of Trade and Industry (DTI), Department of
15 Information and Communications Technology (DICT), Philippine Chamber of Commerce and
16 Industry, Employers Confederation of the Philippines, National Economic and Development
17 Authority (NEDA), and other concerned agencies shall develop a system or a portal where
18 students can access data and information concerning higher and technical education, current
19 career and industry trends and demands, and other tools that will guide them in their
20 educational and career choices.

21
22 **SEC. 5. University Preparatory Pathway.** – The DepEd shall develop and implement
23 a comprehensive curriculum for Grades 11 and 12 that prepares students for admission
24 to colleges and universities.

25
26 This curriculum shall encompass fundamental subjects to improve and guarantee
27 that students acquire functional literacy and practical skills, and elective courses to allow
28 students to explore their interests and meet college and university admission requirements
29 of their chosen degree.

30
31 The DepEd shall include the University Preparatory Pathway in its education
32 roadmap and collaborate with the CHED, colleges, and universities to guarantee alignment
33 between the curriculum and college admission standards. Colleges and universities
34 must ensure that students can easily obtain information about their program of study
35 or curriculum guide to adequately prepare for their college studies.

36
37 **SEC. 6. Technical-Vocational Education Pathway.** – TESDA and the industry boards,
38 partners, experts, and practitioners, including micro, small and medium enterprises,
39 shall develop a variety of technical-vocational programs based on an industry-driven and
40 industry-approved standards designed to equip students with practical skills and
41 competencies that are at par with industry requirements. These programs must lead
42 to a diploma or a higher national certificate level. The standards of these programs must
43 further ensure that students acquire functional literacy skills to guarantee their employability
44 upon completion of their chosen program and undergoing the necessary assessment
45 for certification.

1 To effectively implement the programs, TESDA and its accredited Technical Vocational
2 Institutions must have a sufficient number of partner enterprises to ensure that the standards
3 and training for these programs are aligned with current industry needs and requirements.
4 This collaboration shall include the conduct of a review and evaluation of the standards every
5 three (3) years to maintain its relevance and responsiveness to the prevailing trends in the
6 industry. For TESDA to undertake the prompt issuance of training regulations or competency
7 standards, whichever is applicable, for new and emerging skill sets, they shall likewise
8 strengthen existing industry boards and establish within two (2) years from the effectivity of
9 this Act industry boards for sectors without one.

10
11 In the development and issuance of training regulations or competency standards,
12 TESDA and the industry boards shall focus on higher-skill level and diploma programs.

13
14 TESDA shall give preference to enterprise-based training programs for National
15 Certification levels III and IV, Philippine Qualifications Framework level 5, and new and
16 emerging skills for technical-vocational learners to enhance their skills and knowledge
17 according to industry needs to encourage industry stakeholders to provide enterprise-based
18 training, apprenticeship opportunities, and skills development.

19
20 The assessments and certifications of students under public technical-vocational
21 institutions and TESDA-funded programs shall be free of charge. TESDA shall implement
22 a system that provides subsidies to students in private education, industry, or enterprise
23 for their assessments and certifications by their economic standing. No student who failed
24 at least three (3) times may avail of the free or subsidized assessment and certification.

25
26 **SEC. 7. Honors Examination.** – The DepEd, in consultation with the CHED, shall develop
27 and administer an advanced placement exam, to be taken voluntarily by Grade 10 students
28 in the University Preparatory Pathway, in order to assess their aptitude and readiness
29 to advance to a college degree.

30
31 This advanced placement exam shall give students a grade which shall correspond
32 to their level of proficiency and determine their eligibility to enroll to their chosen degree
33 in a college or university.

34
35 Students who successfully pass the advanced placement exam shall be considered
36 graduates of senior high school without the need to finish Grades 11 and 12, and shall be
37 allowed to enroll in their chosen degree the following school year, subject to other
38 requirements that colleges or universities may impose.

39
40 **SEC. 8. Availment of the Ladderized Education Program under Republic Act**
41 **No. 10647.** – Upon completion of the full technical-vocational program, the student may
42 enroll in colleges or universities and avail of the ladderized education program for educational
43 advancement. The CHED and TESDA shall strengthen existing policies and implementation of
44 programs for the accreditation and recognition of prior learning of students.

45
46 **SEC. 9. Scholarship Programs.** – To ensure that the two educational pathways are
47 accessible to a broad range of students, the DepEd and TESDA shall maintain an educational

1 support program including scholarships for their respective students that properly and
2 sufficiently addresses the accessibility and availability of the pathways to the marginalized
3 communities and learners.

4
5 The DepEd and TESDA shall continue to make available to their respective students
6 the scholarship programs currently implemented in their agencies.

7
8 Scholarships in the Technical-Vocational Education Pathway shall be made
9 available to learners with disabilities, indigenous learners, and those coming from
10 marginalized communities.

11
12 Prioritization shall also be given to students enrolled in programs with higher skill
13 levels or urgently needed by the industries.

14
15 **SEC. 10. Program Evaluation.** – The DepEd and TESDA shall regularly assess and
16 evaluate the effectiveness and quality of their respective education pathways. The findings of
17 these assessments and evaluations shall be utilized to implement essential enhancements
18 and modifications to ensure that the curriculum remains relevant to society.

19
20 **SEC. 11. Support from Other Government Departments and Agencies.** – The CHED,
21 DOLE, DTI, DICT, Department of Agriculture, Department of Science and Technology, NEDA,
22 Philippine Qualifications Framework National Coordinating Council, Department of Budget
23 and Management, and other related agencies are hereby mandated to extend the necessary
24 support and resources towards the effective implementation of this Act.

25
26 **SEC. 12. Transition Provisions.** – The DepEd and TESDA shall develop and refine their
27 respective curriculum and standards to ensure that such are highly relevant and aligned with
28 the current and future needs of society and industry, including emerging technologies, skills,
29 and workforce demands.

30
31 To ensure the effectiveness of the newly developed curriculum and standards,
32 an initial implementation phase for three (3) years shall be conducted in a selected number
33 of schools from different regions, socioeconomic conditions, and both urban and rural
34 settings to be determined by the agencies. The DepEd and TESDA shall conduct
35 comprehensive assessments during this pilot phase to evaluate the effectiveness of the
36 curriculum and standards in preparing the students for university and college or the
37 workforce, and ensuring that it meets the intended goals. The assessment shall be accessible
38 to the public and may undergo independent or third-party review. The DepEd and TESDA shall
39 refine and enhance their respective curriculum and standards after considering the feedback
40 from various sectors and roll out the final curriculum and standards within one (1) year from
41 the assessment.

42
43 Upon attaining the qualification standards, the teachers and instructors under
44 the current Technical-Vocational Track of the Senior High School of the DepEd shall be
45 given preference in hiring of instructors and teachers by the TESDA for the implementation
46 of this Act.

1 **SEC. 13. Appropriations.** – The amount necessary for the implementation of this Act
2 shall be included in the respective budgets of DepEd and TESDA in the annual General
3 Appropriations Act.
4

5 **SEC. 14. Joint Congressional Oversight Committee.** – There is hereby created a Joint
6 Congressional Oversight Committee (JCOC) to monitor and oversee the implementation of
7 the provisions of this Act. The JCOC shall be composed of five (5) members each from the
8 Senate and from the House of Representatives, respectively, including a member of the
9 minority from each chamber, to be chaired jointly by the chairpersons of the Committees on
10 Basic Education of both the Senate and the House of Representatives. The four (4) other
11 members from each chamber shall be designated, respectively, by the President of the Senate
12 and the Speaker of the House of Representatives.
13

14 **SEC. 15. Implementing Rules and Regulations (IRR).** – Within ninety (90) days from
15 the approval of this Act, the DepEd, TESDA, and CHED shall, in consultation with other
16 concerned stakeholders, formulate and issue the rules and regulations implementing the
17 provisions of this Act.
18

19 **SEC. 16. Separability Clause.** – If any part or provision of this Act is held invalid
20 or unconstitutional, other provisions not affected thereby shall remain in force and effect.
21

22 **SEC. 17. Repealing Clause.** – Section 4 of Republic Act No. 10533, or the “Enhanced
23 Basic Education Act of 2013”, is hereby amended to remove the compulsory requirement for
24 Senior High School in basic education.
25

26 All other laws, orders, and rules and regulations contrary to, or inconsistent with the
27 provisions of this Act are hereby repealed or amended accordingly.
28

29 **SEC. 18. Effectivity.** – Notwithstanding the non-issuance of the IRR, this Act shall
30 take effect fifteen (15) days after its publication in the *Official Gazette* or in a newspaper of
31 general circulation.

Approved,
