Schools Division Office - Muntinlupa City*

Dear **Dr. Gonzales,**

Greetings from the **Center for Integrated STEM Education!**

It is with great pleasure that we invite you to join us in celebrating the culmination of the Plastic Sustainability Education for Youth Program. This event is scheduled to take place on April 4, 2025, at the University of the Philippines Diliman – National Institute for Science and Mathematics Education Development (UP NISMED) from 9:00 AM to 4:00 PM.

The Plastic Sustainability Education for Youth Program has been an enriching journey in raising awareness and fostering a sense of responsibility among young minds regarding the pressing issue of plastic waste. Thanks to your dedication and hard work, we have reached this milestone, and we would be honored to have you with us as we mark the program's successful completion.

Event Program

Morning Session: (9:00 - 12:00)

The morning session will feature three (3) parallel activities:

- **Parallel Activity 1:** Tote Bag Designing Contest - 1 representative
- **Parallel Activity 2:** Eco-Poster Making Contest - 1 representative
- **Parallel Activity 3:** Food Packaging Design Challenge - 3 representatives

Afternoon Session: (1:00 - 4:00)

The afternoon session will showcase the "Ano Dow? Tagisan ng Talino (Grade 8)", a quiz bee-style competition highlighting the knowledge students have acquired throughout the program. Each team will consist of the same five (5) representatives who participated in the morning session. These teams, representing the eight (8) participating schools in Muntinlupa City, will compete in this exciting academic challenge.
