All Others Concerned

1. In line with the conduct of the End-of-School Year Rites for SY 2024-2025, pursuant to DepEd Order No. 027 s. 2025 this Division enjoins all school nurses to participate and provide medical services all throughout the duration of the event. This will help ensure the well-being of all learners, personnel, and guests in attendance.
2. To safeguard the health and safety of all attendees, schools must implement safety measures in case of a high heat index during the EOSY Rites. These include providing hydration stations, ensuring proper ventilation and shade and having medical team on standby. School officials must closely monitor heat index advisories and make necessary adjustments to prevent heat-related illness.
3. Immediate and wide dissemination of this Memorandum is desired.
