Dear Dr. Violeta M. Gonzales, CESO VI,

Warm greetings!

I hope this message finds you in good health and high spirits. I would like to extend my sincere appreciation for your leadership and service as the Officer-in-Charge of the Schools Division of Muntinlupa City. Your commitment to fostering an inclusive and empowering learning environment for both educators and students is truly commendable.

I am Dr. Jathry Rodriguez-Redondo, Vice President for Student Affairs and Dean of the College of Education at the Philippine School of Business Administration (PSBA).

In support of DepEd's mission and our active participation in **Brigada Eskwela**, I am pleased to offer **100 slots** for a **25% tuition discount** to **the families of all teaching and non-teaching personnel** under DepEd Muntinlupa who wish to pursue a degree in **Early Childhood Education or Special Education** at PSBA. This discount applies from the first year through the fourth year of study, as a gesture of appreciation for the tireless dedication of your division's educators and staff.

In addition, we have partnered with **Wondery Learning Center**, a therapy and early intervention hub for children with special needs. We are offering **50 slots** for **students under DepEd Muntinlupa** who require developmental assessments or intervention services, granting them a **20% discount** on Wondery's offerings. These services include occupational therapy, physical therapy, speech therapy, sensory integration, feeding therapy, group therapy, and a gentle playschool program. Wondery is also supported by an **in-house developmental pediatrician**, ensuring that children receive the specialized care they need.

We hope this initiative will benefit both the families of your hardworking employees and the students in your care who require additional developmental support. Should your office be interested in discussing these opportunities or other forms of collaboration, I would be delighted to connect with you.

Thank you once again for your continued commitment to education. We look forward to the opportunity to support the community of Muntinlupa City.
