**RE: GBF STEM Collab Webinar on Effective Math and Science Learning Resources
on May 31 and June 7, 2025**

Dear Director Andaya:

Greetings from Gokongwei Brothers Foundation (GBF)!

We are grateful for the partnership between GBF and your office in uplifting education in our country through various programs. Aside from the GBF Class Builder, we are happy to share about GBF STEM Collab, a dynamic community of STEM educators enhancing their knowledge and skills through learning sessions, community engagement, and peer learning. It offers a capacity-building program that provides free, bite-sized, and PPST-aligned webinars.

Building on our shared commitment to support educators, we are excited to share about the **GBF STEM Collab Webinar Series on Effective Math & Science Learning Resources (LRs)**. These free learning sessions are designed to equip Math and Science Educators with instructional and visual design principles needed to create Math and Science materials with ease. The webinars will be at **8:00 AM** and **1:00 PM** on **May 31 and June 7, 2025**, via **Microsoft Teams**. This is **PRC-accredited** and will allow participants with valid output to gain up to **5 CPD units** for **free**.

In line with this, we would like to request your good office for the following:

1. to disseminate information and encourage School Heads, STEM Teachers, and STEM Club Advisers from Public and Private Elementary and Secondary Schools to join the [GBF STEM Collab FB Community](#) and attend the learning sessions,
2. to endorse the GBF STEM Collab Webinar Series to DepEd offices within your network, and
3. to promote GBF STEM Collab to your constituents through your official information channels.

Here is the official poster of the learning series.
