Dear **Secretary Remulla**:

Greetings from the Department of Education (DepEd)!

This letter is to formally request the support of the Department of the Interior and Local Government (DILG) and the Philippine National Police (PNP) in ensuring the safety and security of our learners and schools.

We respectfully request the deployment of police officers and barangay tanods, limited to school gates within our jurisdiction, commencing in May 2025 with the start of the DepEd's 2025 Summer Programs. This deployment is crucial to establish a visible and proactive security presence, deterring potential threats and ensuring a safe learning environment for our students.

To prevent further tragedies and ensure the safety of our learners, enhanced security measures are urgently needed. This necessity is driven by the fatal 11 April 2025 attack on Captain Albert Aguilar National High School students and the increasing frequency of violent incidents affecting our learners and school officials, occurring both on and off school premises, causing widespread alarm within our community.

Furthermore, we respectfully request the establishment of a dedicated hotline for the DepEd within the PNP. This hotline will facilitate immediate reporting and response in the event of incidents occurring within or near school premises, enabling swift action and coordination. We believe that the collaborative effort among the DepEd, DILG, and PNP is essential to create safe and secure learning spaces for our students.

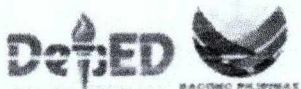

Thank you for your immediate attention to this urgent matter and your consistent support to the education sector.

Very truly yours,
