NATIONAL CAPITAL REGION
SCHOOLS DIVISION OFFICE OF MUNTINLUPA CITY

Office of the Schools Division
Superintendent

JUN 10 2025

MEMORANDUM

No. 267, s. 2025

**VIRTUAL ORIENTATION ON THE ADMINISTRATION OF THE DYNAMIC
LEARNING PROGRAM (DLP) ASSESSMENT FOR HIGH SCHOOL
FOR SCHOOL YEAR 2025-2026**

To: OIC-Assistant Schools Division Superintendent
Chief Education Supervisor, Curriculum Implementation Division
OIC-Chief Education Supervisor, School Governance and Operations Division
Public & Private Secondary School Administrators/OICs
Administrative Officer V
All Others Concerned

1. Attached is the Bureau of Education Assessment (BEA) Advisory No. 019, s. 2025, dated June 5, 2025, on the above-captioned title, the contents of which are self-explanatory, for the information and guidance of all concerned.

2. As indicated in the attached Central Office Memorandum dated May 20, 2025, titled, Pilot Schools of the Dynamic Learning Program, the Schools Division Office of Muntinlupa City has two pilot schools as follows:

- Muntinlupa Business High School-Main
- Poblacion National High School

3. In line with this, the School Heads (SH), School Testing Coordinators (STC), Division Testing Coordinator (DTC), and Public Schools District Supervisors (PSDS) of the pilot schools are required to attend the virtual orientation on June 11, 2025, through this MS Teams link:

- MS Teams Meeting Link: <https://tinyurl.com/DLPAOrientBatch1>
- Meeting ID: 422 052 525 341 5
- Passcode: 3tf7mV7T
- Time: 10:00 AM-12:00 NN

NUM-2025-267

267

4. For information and strict compliance of all concerned.

VIOLETA M. GONZALES
Assistant Schools Division Superintendent
Officer-in-Charge
Office of the Schools Division Superintendent

NUM-2025-267

Republic of the Philippines
Department of Education
BUREAU OF EDUCATION ASSESSMENT

Office of the Director

Advisory No. 019 s. 2025

05 June 2025

ADVISORY

Virtual Orientation on the Administration of the Dynamic Learning Program (DLP) Assessment for High School for School Year 2025 – 2026

1. Pursuant to the DepEd Unnumbered Memorandum dated May 20, 2025, titled *“Pilot Schools of the Dynamic Learning Program”*, the Bureau of Education Assessment – Education Research Division (BEA-ERD) has been requested to lead the design and implementation of *baseline*, *midline*, and *endline* assessments for DLP to evaluate its pilot implementation.
2. In line with this, the BEA-ERD invites all **Regional Testing Coordinators (RTCs), Division Testing Coordinators (DTCs), Test Administrators (TAs), Deputy Assessment Monitors (DAMs), and School Heads (SHs) from the DLP pilot regions, schools division offices, and schools** to attend the *Virtual Orientation on the Administration of the DLP Assessment for High School for School Year 2025–2026* on **June 11, 2025 (Wednesday)**.
3. Each RTC must nominate **Deputy Assessment Monitors (DAMs)** equivalent to 10% of the total number of sampled DLP schools per region. DAMs are public schools district supervisors assigned to areas near the DLP pilot schools.
4. Each DTC must nominate two (2) Test Administrators (TAs) per DLP school. Teachers with prior experience in administering standardized tests are preferred.
5. The virtual orientation will cover the guidelines on the production, delivery, and retrieval of test materials, as well as test administration procedures, including the roles and responsibilities of testing personnel and instructions on the use of Program Support Funds (PSF).

Republic of the Philippines
Department of Education
BUREAU OF EDUCATION ASSESSMENT

6. The orientation will be conducted in **two batches**:

Batch 1: Participants from the **National Capital Region (NCR)** and **Region V**.

- **MS Teams Meeting Link:** <https://tinyurl.com/DLPAOrientBatch1>
- **Meeting ID:** 422 052 525 341 5
- **Passcode:** 3tf7mV7T
- **Time:** 10:00 AM – 12:00 NN

Batch 2: Participants from **Region IV-A**, **Region VII**, and **Region XI**.

- **MS Teams Meeting Link:** <https://tinyurl.com/DLPAOrientBatch2>
- **Meeting ID:** 432 149 941 858
- **Passcode:** J4Dm9c6Q
- **Time:** 2:00 PM – 4:00 PM

7. For further information, please contact BEA-ERD at telephone number **(02) 8631-2591** or via email at bea.erd@deped.gov.ph.

8. Immediate dissemination of this Advisory is hereby directed.

KEVIN CARL P. SANTOS, PhD
Director IV 

Republic of the Philippines
Department of Education
OFFICE OF THE SECRETARY

MEMORANDUM

FOR : **ALL UNDERSECRETARIES**
ALL ASSISTANT SECRETARIES
THE REGIONAL DIRECTOR
Region NCR, CALABARZON, V, VII, NIR, and XI
SCHOOLS DIVISION SUPERINTENDENTS
Region NCR, CALABARZON, V, VII, NIR, and XI

FROM : **ATTY. FATIMA LIPP D. PANONTONGAN**
Undersecretary and Chief-of-Staff

SUBJECT : **PILOT SCHOOLS OF THE DYNAMIC LEARNING PROGRAM**

DATE : **May 20, 2025**

In support of the Department of Education's commitment to ensure learning continuity during class suspensions caused by natural calamities and disasters, other emergency situations and school attendance due to congested classrooms, the Department shall launch the Dynamic Learning Program Pilot (DLPP) for School Year 2025-2026 to selected secondary schools.

The DLP is anchored on the principle of "Learning by Doing", emphasizing student activity over traditional lectures. Under this model, 70% of learning time is dedicated to student-driven activities, while only 30% is allocated to lectures or teacher-led discussions. This shift aims to foster deeper understanding, critical thinking, and independent learning among students. It aims to improve learning outcomes through independent learning and minimal resources dependence, making it particularly effective in resource-limited environments. DLP was developed by Dr. Christopher Bernido and Dr. Ma. Victoria Carpio-Bernido, founders of Central Visayan Institute Foundation (CVIF) in Jagna, Bohol.

Some of the major tenets of the DLP are as follows:

1. **Activity-Based Learning (70-30 Principle):** 70% of class time is devoted to student-driven learning activities, such as copying and answering Learning Activity Sheets (LAS), problem-solving tasks, and other activities, while 30%

of class time is used for teacher-led instruction, focusing on clarifying concepts and guiding students through difficult topics. Teachers deliver short, focused lectures only when necessary. This approach encourages independent learning, critical thinking, and mastery through practice. The emphasis is on student discovery and engagement, rather than passive listening.

2. **Parallel Learning Scheme:** For mainstream implementation, two to three sections share the same subjects per class period, and work on the same subject simultaneously, with an expert teacher providing direct instruction (30% class time), while facilitators monitor students who are answering their LAS (70% of class time). This allows for efficient use of limited resources, especially in schools with overcrowded classrooms or limited teaching staff.
3. **Strategic Rest Periods:** DLP incorporates rest periods during the school week to reduce student stress and cognitive overload. These breaks are used for reflection, self-study, or enrichment activities, promoting mental wellness and long-term retention.
4. **Learning Activity Sheets (LAS):** LAS guide students through lessons independently. LAS are aligned with the curriculum and designed to be completed without direct teacher supervision, making them ideal also for emergency learning situations. Because students can work independently using LAS, learning can continue even without internet access or regular classroom sessions.
5. **Student Portfolios:** Students collect completed LAS as evidence of their learning progress. Teachers use portfolios to monitor individual student growth over time. Portfolios are organized by subject and emphasizes depth of understanding rather than quantity of output. The portfolio can be used as a main reference and can be used as a reviewer for both formative and summative assessments.

The DLP Pilot will be conducted in School Year 2025-2026 using a Randomized Control Trial (RCT) methodology. The RCT aims to generate robust evidence on the impact of the DLP on student performance, particularly in core subjects like Science, Mathematics, and English. It is part of DepEd's broader effort to address learning losses and improve instructional quality through evidence-based reforms.

Design and Methodology

1. The DLP Pilot is being implemented in three distinct contexts, for Mainstream Implementation, Implementation for Congestion in Multi-Shift Schools, and Implementation in Emergency Situations.
 - a. **Mainstream Implementation:** The mainstream pilot will be implemented in Regions VII, NIR, and XI. This involves integrating the DLP into regular school settings for all eight subject areas. It serves as a pilot for modeling long-term, systemic reform in teaching and learning practices.

- b. **Implementation for Congestion in Multi-Shift Schools:** The Multi-shift Pilot will be conducted in select schools in Region NCR, and CALABARZON in schools operating on multiple shifts due to overcrowding, the DLP offers a flexible solution that maximizes limited classroom time and resources. By promoting independent learning, it reduces the need for extended face-to-face instruction, thereby easing congestion. A model mode would be to conduct onsite classes only up to twice a week, and the rest of the week will have students answer Learning Activity Sheets and undertaking other activities at home.
 - c. **Implementation in Emergency Situations:** The program is designed to be resilient in emergencies, such as natural disasters or pandemics. The Emergency pilot will be run in select schools in Region V. Recognizing the frequent disruptions caused by natural disasters and other emergencies, the DLP is also being piloted in high-risk areas. It provides a resilient learning framework that allows education to continue even when traditional classroom settings are unavailable.
 2. 150 schools are assigned to each context. Half of the schools participating in each context (75 schools) are randomly assigned to the **treatment group** (implementing DLP) while the other half in each context (75 schools) are part of the **control group** (continuing with traditional instruction and cannot implement DLP). This ensures that any observed differences in outcomes can be attributed to the DLP intervention. The full list of pilot schools and their assignment as to context and whether treatment or control are attached in **Annex A**.
 3. The pilot will be run in **Key Stage 3** (Grades 7–10), with anywhere from 1-3 sections per grade level implementing for each pilot school. A separate issuance will be provided on the randomized sections.

Implementation Phases

There are three phases in the implementation of the DLP Pilot, which starts from the capability building of implementers to ensure the standard implementation of the DLP in pilot schools, including the standard provision of resources, specifically the LAS. Next is the Roll-out and baselining, and then the evaluation of the pilot.

1. **Preparation and Training:** Teachers and school leaders from pilot schools will undergo intensive training through a certification program developed by NEAP. Standard Learning Activity Sheets (LAS) have also been developed by the Bureau of Learning Delivery which will be cascaded to pilot Regions and Schools. The development of the certification program and the LASs are in collaboration with the CVIF, DLP Implementing schools, and partners such as PLDT-SMART Communications.
2. **Baseline Assessment and Intervention Rollout:** Student learning will be baseline assessed through a pre-test in Math, Science, and English, and the

Independent Learning Readiness Test. This will be conducted during the first week of classes. The intervention also begins at the start of classes for SY 2025-2026. DLP will be implemented in treatment schools. Specific details of implementation will be provided in a separate issuance. Select assessment questions will also be integrated into the quarterly examination of pilot sections. The results of the assessments will be collated and analyzed at the Central Office. Monitoring and Evaluation teams from the Central, Regional, and Schools Division Offices may conduct monitoring sessions in pilot schools throughout the school year.

3. **Endline Assessment:** In order to evaluate the impact of the program, learning outcomes will be measured through a post-test in Math, Science, and English, and the Independent Learning Readiness Test at the end of the school year. Other data that could be collected. Other information that may be gathered could include: student performance in standardized tests, and qualitative reviews could be undertaken regarding teacher and student engagement, classroom practices and instructional time use, and resilience of learning continuity in emergency contexts

For any questions, or any other concerns, you may contact Dir. Michael Cabauatan of the Office of the Secretary through michael.cabauatan@deped.gov.ph or through 09285547995. Immediate dissemination of and compliance with this Memorandum is desired.
