A GROUNDBREAKING INITIATIVE TO ADDRESS THE CLIMATE CRISIS,  
FEATURING AN ALL-ORIGINAL FILIPINO MUSICAL FILM

Skillfully narrated in captivating music and stunning cinematography, *A Thousand Forests* aims to shed light and inspire action on the urgent climate change issues. It unravels the journeys of five teens who meet at the prestigious Forest Camp Philippines.

A frustrated teen beauty queen named Skye joins the forest camp, wishing to redeem herself from a viral beauty pageant scandal. In the camp, she teams up with Rashid (a Muslim youth leader), Morena (an island lass who wants to be a marine scientist), Champ (an aspiring track-and-field athlete), and Sunshine (a smart but insecure vlogger).

Together, they face exciting challenges and a series of treasure hunts to be the official Forest Ambassadors or ForAms who will travel worldwide to promote reforestation and forest conservation.
