JUL 14 2025

Advisory No. 057, s. 2025

July 14, 2025

In compliance with DepEd Order (DO) No. 8, S. 2013  
This advisory is issued for the information of DepEd officials,  
personnel/staff, as well as the concerned public.

**SCHEDULE OF VEDIC MATHEMATICS ACTIVITIES**

Attached is a letter from Mr. Virgilio Y. Prudente, Founder of MATH-Inic Philippines, dated July 9, 2025, on the above-captioned title, the contents of which are self-explanatory, for the information and guidance of all concerned.

Participation of learners and teachers from public schools shall be purely voluntary and will not hamper instructional time in compliance with the provisions of DO 9, s. 2005 titled "Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith."

Moreover, schools are reminded of the "No Collection and No Selling of Tickets Policy" stipulated in DepEd Order Nos. 19 and 40, s. 2008 and RA Nos. 4206 and 5546.

LGQ / VEDIC MATHEMATICS ACTIVITIES

057/July 14, 2025 AD-2025-057

Math made fun, fast and easy!

July 7, 2025

Dr. Violeta Gonzales  
OIC - Schools Division Superintendent  
Division of Muntinlupa City

Dear Dr. Gonzales,

Warm greetings from MATH-Inic Philippines!

We are grateful for the support your office has extended to our past initiatives. In line with our continuing efforts to complement the Department of Education's goals in **enhancing mathematics instruction**, we wish to share the revised schedule of Vedic Mathematics activities for 2025.

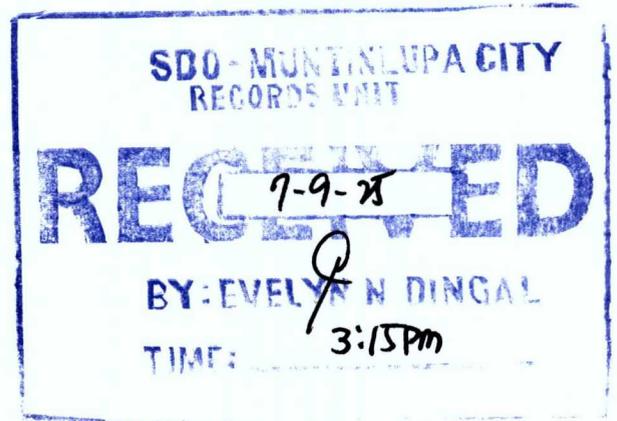

These events aim to **cultivate stronger number sense, creative problem solving, and confidence in math** among learners through the **Vedic Mathematics system, a simplified and unified approach to computation**.

We respectfully invite your teachers and learners to participate in the following key events:

1. The **11th Online Vedic Mathematics International Conference on July 12–13, 2025** – A **free two-day virtual event** by the **UK-based Institute for the Advancement of Vedic Mathematics (IAVM)**, featuring international speakers, inspiring success stories, and new research in Vedic Math applications. Highlights include the announcement of winners for the Lilavati Mathematical Poetry Competition, a creative writing workshop, and a keynote by IAVM Founder James Glover.
2. The **6th Philippine National Vedic Mathematics Olympiad (PNVMO) on September 13–14, 2025** – an online weekend event organized to assess and celebrate what students have learned through Vedic Math techniques. The PNVMO is one of two national competitions (the other being the MATH-Inic Vedic Mathematics National Challenge) conducted by MATH-Inic Philippines to help prepare Filipino Mathletes for the International Vedic Mathematics Olympiad (IVMO).
3. The **5th International Vedic Mathematics Olympiad (IVMO 2025) on November 15 and 29, 2025**, also organized by the IAVM, is expected to draw thousands of participants worldwide. In 2024, over 10,000 Vedic Math enthusiasts from 9 countries joined the event, with the Philippines earning 23 out of the 25 top-three finishes across all six categories.

We also invite your teachers to participate in our 2<sup>nd</sup> **Free Vedic Math Basics Online Course** (<https://bit.ly/VMBasicsII>), which includes:

- Access to pre-recorded training sessions for self-paced learning

- Participation in live-webinar sessions
- This course is free of charge, and teachers are warmly encouraged to share the knowledge with their students, regardless of whether they join the competitions

These events are scheduled on weekends to avoid disruption of classes, are entirely voluntary, and comply with DepEd Orders No. 8, s. 2013 and No. 28, s. 2001. While we are not seeking official endorsement, we would truly appreciate your help in sharing this information with schools in your area so that more teachers and learners may benefit from these enriching opportunities.

For further details, teachers may contact us via email at [info@math-inic.com](mailto:info@math-inic.com) or visit our Facebook page at [facebook.com/MATHInicPhils](https://www.facebook.com/MATHInicPhils).

We sincerely hope your office will consider issuing an advisory to help inform interested schools and educators about these opportunities.

Thank you very much for your continued support.

Respectfully yours,

**Virgilio Y. Prudente**

Founder, MATH-Inic Philippines

Honorary Life Member, Institute for the Advancement of Vedic Mathematics
