MEMORANDUM

**DIVISION STATUS OF ENROLLMENT QUICK COUNT IN THE LEARNER
INFORMATION SYSTEM (LIS) FOR SCHOOL YEAR 2025-2026**

To: OIC-Assistant Schools Division Superintendent
Chief Education Supervisor, Curriculum Implementation Division
OIC-Chief Education Supervisor, School Governance & Operations Division
Public and Private Elementary and Secondary School Heads/OICs
All Others Concerned

1. This Office informs all concerned of the division status of the enrollment quick count in the Learner Information System (LIS) for School Year (SY) 2025-2026, based on data reported from the system as of July 7, 2025.
2. The Enrollment Quick Count is a key feature of the Learner Information System (LIS) that enables the Department of Education (DepEd) to efficiently gather real-time enrollment data from schools nationwide. This facility captures comprehensive enrollment figures across all grade levels, from Kindergarten to Senior High School. The timely collection of this data is essential for informed planning, resource allocation, and policy formulation. Moreover, the Quick Count serves as an early indicator of enrollment trends, helping the Department promptly identify potential challenges, such as low participation rates or barriers to access, and implement targeted interventions proactively.
3. Furthermore, this Office commends all schools that have successfully achieved 100% enrollment compared to their previous school year's official enrollment data. Your proactive efforts in engaging communities, facilitating enrollment processes, and ensuring that all learners are accounted for are highly appreciated and aligned with the Department's commitment to providing quality, accessible, and inclusive education.
4. All schools are reminded to continue updating their enrollment data regularly through the LIS Quick Count to ensure the accuracy and timeliness of the Division's enrollment reports until **July 31, 2025**. This data is essential for informed decision-making, strategic resource allocation, and timely interventions to address enrollment gaps.
5. Schools that have yet to achieve their target enrollment are encouraged to intensify their advocacy and enrollment initiatives, strengthen partnerships with local stakeholders, and address any identified barriers to access.

All School Heads, School Administrators, LIS Coordinators/Registrars, and the Division ALS Focal Person are required to attend. Please access the meeting through this link: **<https://bit.ly/M07-Status-QC-Enrollment-SY25-26>**.

REGIONAL MEMORANDUM
ORD-2025- 595

TO : **SCHOOLS DIVISION SUPERINTENDENTS**

FROM : **JOCELYN DR ANDAYA** *MA*
Regional Director, NCR
Concurrent Officer-In Charge, Office of the
Assistant Secretary for Operations

SUBJECT : **REGIONAL STATUS OF QUICK COUNTS ENROLLMENT ON
THE LIS FOR SCHOOL YEAR 2025-2026**

DATE : **July 01, 2025**

1. This Office informs all concerned of the regional status of enrollment quick count in the Learners Information System (LIS) for School Year (SY) 2025-2026, based on data reported from the system as of July 01, 2025.
2. The Enrolment **Quick Count** is a facility in the LIS that enables the Department of Education (**DepEd**) to collect updated enrolment data from schools. The Quick Count data, which includes enrollment numbers from Kinder to Senior High School, is being collected through the Learner Information System (LIS). This data is crucial for various purposes, including planning and ensuring adequate resources are available.

The quick count helps DepEd identify potential challenges in enrollment, such as low participation or issues with access, allowing for timely intervention.

3. Attached is the report on the status of submission per SDO, as downloaded from the LIS.
5. Immediate dissemination of this memorandum is desired.
