Office of the Schools Division Superintendent

Dear Dr. Gonzales,

Greetings!

South Mansfield College, a school supervised by Southville International School and Colleges, has been continuously committed to delivering quality education that nurtures lifelong learners, leaders, and global citizens. In line with this mission, we aim to reach out to students from both public and private schools within Muntinlupa through career orientation sessions and school presentations.

These activities are designed to provide students with meaningful insights into academic pathways, career opportunities, and future-ready skills that will help them make informed decisions about their educational journey. We believe that through collaboration with schools in the division, we can better guide students toward discovering their strengths and aspirations.

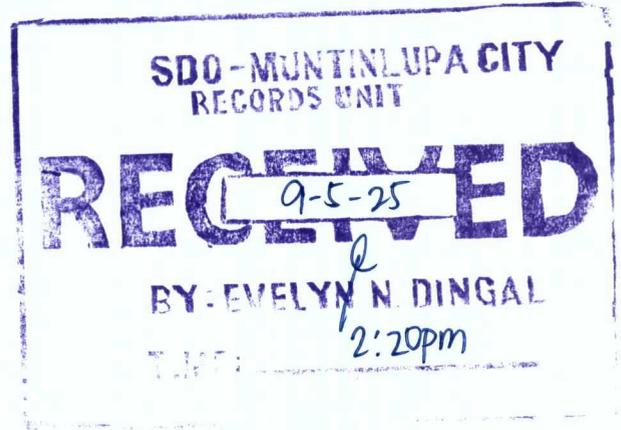

In this regard, we respectfully request your kind endorsement to allow South Mansfield College to conduct career orientation and school presentations in public and private schools under your supervision. Rest assured that our activities will be conducted with utmost professionalism and in coordination with the school heads, while adhering to DEPED policies and guidelines.

We are confident that this partnership will contribute to the holistic development of the learners and empower them to envision brighter futures.

Thank you very much for your support and favorable consideration. We look forward to your guidance and endorsement.

Respectfully yours,
