DR. VIOLETA M. GONZALES, CESO VI
Schools Division Superintendent - Muntinlupa City

Dear Dr. Gonzales:

The TECHNOLOGICAL INSTITUTE OF THE PHILIPPINES (T.I.P.) is a private higher education institution that offers outcomes-based education (OBE) with programs in Engineering, Architecture, Computing, Business, Arts, and Education, among others. T.I.P. has two (2) campuses located in Quezon City and Manila. Both are granted Autonomous Status by the Commission on Higher Education (CHED).

Among the advocacies of T.I.P. is empowering the youth through career orientation initiatives. This is to ensure that Senior High School students are well-oriented on possible career options for various degree programs in College. But to take it a step further, T.I.P. also provides career guidance to help address individual psychological issues in the form of counseling sessions. This includes online resources, group learning experiences and the like, which are primary needs of our high school students.

May we ask your permission and endorsement through all the high school Principals in your Division to conduct Career Guidance for the 2026 Senior High School graduating students?

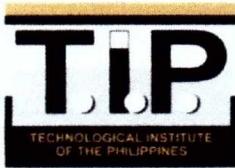

Attached is our letter for the high school principals, requesting their clearance for us to conduct a Career Guidance for the said students.

You may send your confirmation to the email address: admissions.manila@tip.edu.ph or call us at telephone number 8-736.2580 / 0955-1867882 / 0926-0670696 / 0917-1059581. Kindly ask for the undersigned or look for Mr. Bon Jovi De Vera and Ms. Cristine Joy Dumlan.

We look forward to your favorable response to our request. Thank you.

Truly yours,

Engr. Arturo O. Sudlon, Jr.
Manager, Student Recruitment Office
Technological Institute of the Philippines - Manila
