Advisory No. 110, s. 2025

October 24, 2025

In compliance with DepEd Order (DO) No. 8, S. 2013
This advisory is issued for the information of DepEd officials,
personnel/staff, as well as the concerned public.

INVITATION TO ABA SERVICES AND TRAINING

Attached is a letter from Ace, ABA Clinic Supervisor at Campion International, on the above-mentioned title, content of which is self-explanatory, for the information and guidance of all concerned.

Participation of public and private schools shall be subject to the no-disruption-of-classes policy stipulated in DepEd Order No. 9, s, 2005 entitled “Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith.”

Moreover, schools are reminded of the “No Collection and No Selling of Tickets Policy” stipulated in DepEd Order Nos. 19 and 40, s. 2008 and RA Nos. 4206 and 5546.

Good day!

Respectfully endorsing the concern to your office. If this is out of your scope, kindly refer Ms. Jimenez to the right department.

Appreciate your assistance.

Thank you.

To the Honorable Officials of the Municipality,

My name is Ace, ABA Clinic Supervisor at **Campion International**, a foundation based in Mandaue City that **provides high-quality Applied Behavior Analysis (ABA) Therapy for children with behavioral and developmental needs.**

We are reaching out to explore a partnership with your office, as we share a common goal: **to promote the well-being of children and families in our local communities through early intervention, inclusive education, and proactive support systems.**

Children with developmental delays or behavioral concerns often go undiagnosed or unsupported, especially in underserved areas. Without early and effective intervention, these challenges can affect not only their academic performance but also their social skills, emotional well-being, and overall quality of life. With timely support, however, children can make significant progress—leading to better educational outcomes and a greater ability to participate meaningfully in society.

As part of our advocacy, we would like to offer the following services in collaboration with your LGU:

- **Free behavioral screenings for children** – to discuss any behavioral concerns parents or caregivers may have and how ABA therapy might help.
- **ABA assessments** to identify specific behavioral and developmental needs, followed by detailed ABA assessment reports that outline the child's strengths, challenges, and recommendations for targeted interventions.
- **ABA Therapy Services** for children in need of behavioral or developmental support.
- **ABAT (Applied Behavior Analysis Technician) Training Courses** for individuals interested in becoming certified behavior technicians – potentially opening up employment opportunities in your locality.
- **Workshops or orientation sessions** for parents, teachers, or barangay health workers to raise awareness on behavioral challenges and effective interventions through ABA.

These services can be conducted on-site or virtually, and we are happy to coordinate with your office to make them accessible to the families in your community.

We hope to support your efforts in building a more inclusive, educated, and resilient community. If you are open to discussing this further, we would appreciate the opportunity to set a meeting at your convenience.

Thank you very much for your time and continued service to our community. We look forward to the possibility of working together.

--

With gratitude,

Ace
