SUBJECT : **PILOT TESTING OF ASSESSMENT SCHEDULING
INFORMATION SYSTEM (ASIS)**

DATE : September 30, 2025

The Assessment Scheduling Information System (ASIS), developed by the Technical Education Skills Development Authority (TESDA) for all its learners, will be piloted among Senior High School- Technical-Vocational-Livelihood (SHS-TVL) track learners in conjunction with the signing of the Data Sharing Agreement between the Department of Education (DepEd) and TESDA. This agreement aims to strengthen services for SHS-TVL learners and graduates.

ASIS is linked to DepEd's Learners Information System (LIS) to bridge the critical gap in data management. It serves as TESDA's official digital platform designed to streamline and modernize the assessment and certification process for technical and vocational education in the Philippines. ASIS provides a comprehensive digital solution that connects learners, educators, assessors, and government agencies in one unified system.

To ensure the effectiveness and efficiency of ASIS, the system will be piloted in the select schools offering TVL track, with the following schedule below:

National Capital Region (NCR)
