MEMORANDUM

NGIPING MATIBAY, NGITING TAGUMPAY PROJECT

To: Assistant Schools Division Superintendent
Chief Education Supervisor, Curriculum Implementation Division
OIC- Chief Education Program Supervisor, SGOD
Public Elementary School Heads/OICs
All Others Concerned

1. As part of SDO-Muntinlupa's dental care, the School Governance and Operations Division, through School Health and Nutrition Section has been providing dental services through the School Dental Health Care Program (SDHCP) such as Oral Health Examination, Oral Health Education and Fluoride Treatment to Grade I to 2 Learners. Early exposure to fluoride would mean low risk to develop dental caries and to have a stronger set of teeth if given at least every three (3) to six (6) months.
2. In line with this, all public elementary schools are enjoined to purchase Fluoride Varnish chargeable against School MOOE under Medical, Dental and Laboratory Expenses or Clinic Fund.
3. Attached are the specifications and allocation of fluoride varnish tubes per school.
4. Immediate and wide dissemination of this Memorandum is desired.

VIOLETA M. GONZALES CESO VI

Assistant Schools Division Superintendent
Officer-in-Charge
Office of the Schools Division Superintendent
