Dear **Dr. Gonzales**:

Greetings from the Regional Centre for Educational Innovation and Technology (INNOTECH), one of the centres of the Southeast Asian Ministers of Education Organization (SEAMEO)!

We are pleased to invite you to join online for the upcoming INNOTECH Seminar Series on Education, Innovation, and Technology, entitled **"Unlocking Creativity with Adobe Express: A Practical Hands-On Workshop,"** which will focus on the use of **Adobe Express** in teaching and learning. The session will be held **via Zoom** on **26 November 2025 (Wednesday), from 10:00 AM to 4:00 PM**, and the meeting link will be shared with confirmed participants prior to the session.

With DepEd holding licenses for Adobe applications, this session aims to support educators and personnel in fully maximizing these tools to **elevate their digital teaching and communication practices**, as well as create dynamic, collaborative, and visually engaging learning materials aligned with 21st-century instruction.

In line with our preparations, we respectfully request your **confirmation of participation** on or **before 21 November 2025** through this link: <https://bit.ly/Online-INNOTECHSemSer-Adobe>.

Should you require further assistance or information, your office may reach the Centre through [seminar@seameo-innotech.org](mailto:seminar@seameo-innotech.org).

We look forward to your participation in this learning session as we continue to support capacity-building initiatives that strengthen digital innovation and advance educational quality. We are confident that this engagement will not only enhance current utilization of Adobe Express but will also open opportunities to explore the wider capabilities of Adobe tools for creative instructional design and improved learning experiences.

Thank you and we look forward to your favorable response.

Very truly yours,
