Subject: Endorsement Request for Tagline-Making Contest: "Oral Health Promotion"

Dear Dr. Gonzales,

Greetings!

We, PDA Muntinlupa Dental Chapter Inc., are writing to request the endorsement of a tagline-making contest centered on "Oral Health Promotion" for students in Grades 9 and 10 within your division.

This contest aims to engage students in creatively promoting the importance of oral health and hygiene within their communities. The theme, "Oral Health Promotion," encourages students to develop concise and impactful taglines that can effectively raise awareness about this critical aspect of overall well-being.

Contest Details:

- Target Participants: Grades 9 and 10 students
- Theme: Oral Health Promotion
- Prizes: Certificates of recognition will be awarded to students whose taglines are selected as winners.
- Requirements: Winning participants will be required to submit a 2x2 ID photo for documentation purposes.
- Guidelines: The contest will adhere to the attached guidelines provided by the Philippine Dental Association (PDA) to ensure the accuracy and relevance of the taglines.

We believe that this contest will not only foster creativity among students but also contribute to a greater understanding and appreciation of oral health. Your endorsement would be instrumental in encouraging participation and ensuring the success of this initiative.

We have attached the contest guidelines from the PDA for your review and consideration. We are open to discussing this proposal further and addressing any questions you may have.

Thank you for your time and support.

Sincerely,

Attachments: Contest Guidelines from the Philippine Dental Association (PDA)

Sincerely,

Dr. Roselyn A. Secapuri
