**PLEASE BE CAREFUL WITH MY HEART
TEACHER – STUDENT DUET CHALLENGE**

The I AM S.A.M. (Shaker and Mover) Foundation, in partnership with BPW Global Manila, will launch the Please Be Careful with My Heart (PBCWMH) Teacher–Student Challenge on January 24, 2026. This event coincides with the International Day of Education and supports the United Nations Sustainable Development Goal 4: Quality Education.

This initiative reimagines the iconic Filipino song as a scientific, rights-based, and values-driven dialogue between teacher and learner. Through this approach, a duet becomes a living performance of empathy, trust, and responsibility, modeling how care can be expressed safely and respectfully within the school setting.

The program is a nationwide educational advocacy promoting the theme, A Rights-Respecting, Rights-Filled School: My Second Home, under the following pillars:

- **Pillar 1: Duet Challenge** – Schools submit a teacher-student duet using the official education lyrics, showcasing a rights-respecting relationship.
- **Pillar 2: PBCWMH as Practice** – Schools commit to embodying the values of the song daily, fostering classrooms that mirror the safety and care of a second home.

The challenge is open to all public K-12 schools, including Alternative Learning System Centers nationwide. Interested participants may submit their performance of the approved Teacher-Student lyrics, along with required forms, on or before November 26, 2025, through <https://forms.gle/pspXug8mEDfo8uja8>.

Participation of public and private schools shall be purely voluntary and will not hamper instructional time in compliance with the provisions of DepEd Order (DO) No. 012, s. 2025, titled Multi-Year Implementing Guidelines on the School Calendar and Activities and DO 9, s. 2005, titled Instituting Measures to Increase Engaged Time- on-Task and Ensuring Compliance Therewith and the policy on off-campus activities stated in DO 66, s. 2017.

This is also subject to the no-collection policy as stated in Section 3 of Republic Act No. 5546 also known as An Act Prohibiting the Sale of Tickets and/or the Collection of Contributions for Whatever Project or Purpose from Students and Teachers of Public and Private Schools, Colleges and Universities (Ganzon Law), issued in DO 19, s. 2008, and reiterated in DepEd Memorandum No. 041, s. 2024.

CONCEPT PAPER

Please Be Careful With My Heart (PBCWMH): Two Pillars for Rights-Respecting Schools

I. Title: Please Be Careful With My Heart (PBCWMH)

**Pillar I: Teacher–Student Duet Challenge and
Pillar II: Schools as Second Homes**

II. Background and Rationale

February offers a special opportunity to renew self-worth, kindness, and the caring relationships that sustain every learning community, where learning flourishes as teachers care gently and students respond with trust and openness to guidance.

This spirit comes alive in the Teacher–Student version of “*Please Be Careful With My Heart*,” which affirms that every learner is loved, precious, and created for a purpose, and that every teacher holds a quiet but powerful responsibility to nurture and protect the hearts entrusted to them. These are the foundations of a rights-respecting, rights-filled school where children feel safe, valued, and supported to thrive.

Anchored on the theme “**A Rights-Respecting, Rights-Filled School: My Second Home**,” PBCWMH celebrates the Filipino ideal of **Schools as Second Homes and Teachers as Second Parents**. Through music and shared performance, the initiative invites schools to cultivate learning spaces where trust, love, and respect are lived each day.

Why It Matters — The Science Behind It

Neuroscience reveals that learning thrives in a safe and connected environment. When children feel valued and seen by a trusted adult, the brain’s prefrontal regions activate for attention and memory; when they feel fear or shame, stress hormones block those same pathways.

The teacher–learner relationship is thus not sentiment; it is science. It is evidence-based nation-building through neuroscience, safety, and love. Making schools second homes is how we grow healthy brains and responsible citizens.

Evidence from global and Philippine studies supports this foundation:

1. **Bullying depresses achievement.** In PISA 2018 and 2022, Filipino students reported some of the world's highest bullying exposure—about 65% in 2018 and roughly one-third in 2022 said they were bullied several times a month. Students who experience bullying score markedly lower and disengage academically.
2. **Violence and trauma impair learning.** The National Baseline Study on Violence Against Children (NBS-VAC) found that nearly 80% of Filipino children endure at least one form of violence, with direct links to anxiety, absenteeism, and poor academic performance.
3. **Online harm is widespread.** Cyber-violence affects around 44% of Filipino children aged 13–17 and is associated with anxiety, lost concentration, and missed school days.
4. **Self-worth predicts performance.** Longitudinal meta-analyses show that students' self-concepts and self-beliefs predict later achievement, confirming that confidence and belonging accelerate mastery.
5. **Teacher relationships matter.** International research demonstrates that warm, structured, and caring teacher–student relationships significantly boost motivation, learning outcomes, and socio-emotional health.
6. **Supportive teachers buffer harm.** In environments with high peer victimization, caring teachers mitigate the negative effects of bullying, sustain engagement, and help learners remain hopeful about their future.

PBCWMH translates this evidence into a simple, culturally resonant program where teachers publicly model care, students feel seen and valued, and schools strengthen the climate that supports both **learning today and futures tomorrow**.

III. Objectives

The PBCWMH initiative aims to:

1. **Affirm the heart of teaching** by honoring the caring, protective role of teachers in learners' lives.
2. **Strengthen learners' sense of self-worth and safety** through positive, rights-respecting messages.
3. **Encourage schools to live their role as “second homes”** where kindness, respect, and protection are practiced daily.
4. **Provide a simple, unifying national activity** that highlights caring teacher–student relationships and safe, nurturing school environments.
5. **Support efforts to reduce bullying, violence, and emotional harm** in schools through a values- and science-based approach.

IV. Theory of Change

If schools publicly model **student worth** and **caring adult protection** through a shared creative act that is safe, joyful, and rights-respecting, then:

- learners experience cues of belonging and safety,
- teachers receive recognition and “scripts” for gentle, consistent care, and
- communities see and normalize respectful, trust-based interactions.

Therefore, bullying and related harms are countered by a stronger classroom climate, improving engagement and readiness to learn. When this is followed by school-wide practice (Pillar 2), the message of self-worth and protection moves from a single event into the everyday “culture” of the school.

V. Program Design: Two Pillars

Pillar 1 – Teacher–Student Duet Challenge

Pillar 1 focuses on the performance of the Teacher–Student version of “*Please Be Careful With My Heart*.”

- A **Teacher–Student pair** from each participating public K–12 school performs the official Teacher–Student version of the song.
- The duet presents the song as a **rights-respecting dialogue**: the child as loved, precious, and worthy of care; the teacher as a gentle, trustworthy protector and guide.
- School, division, and regional screenings lead to a **National Showcase on 28 February 2026**, where selected duets are featured and honored.
- The contest ensures basic fairness and inclusion: entries must be recorded and rendered by the school community, not professionally outsourced.
- This pillar highlights the **life-shaping bond** between teacher and learner and reminds the nation that every child’s heart is sacred.

Pillar 2 – Schools as Second Homes Showcase Contest

(PBCWMH as School-Wide Practice)

Pillar 2 turns PBCWMH into a school-wide practice, not just a one-time performance.

Over a defined period, schools are invited to **imbibe and embed** PBCWMH in their daily routines, systems, and school culture—treating it as part of the “**DNA**” of the **school** as a Second Home and teachers as Second Parents. This will also be run as a showcase contest, with recognition for schools that demonstrate sustained, concrete practice.

Participating schools will document actions, steps, and initiatives such as:

- daily greetings and language that convey care, respect, and self-worth;
- visible reminders—posters, bulletin boards, classroom visuals—that carry key PBCWMH messages;
- homeroom or guidance activities on anti-bullying, non-violence, and self-worth;
- regular sharing of short videos or testimonies from teachers, students, and parents about how PBCWMH is helping their school feel more like a Second Home and their teachers more like Second Parents.

Schools will later submit a simple documentation package (e.g., selected photos, short video clips or links, and a brief narrative reflection) showing how they have integrated PBCWMH into daily practice and how learners are experiencing change.

Experience has shown that even strong education initiatives can sometimes remain one-time activities unless they are intentionally imbibed and embedded into the very “DNA” of school life. Pillar 2 is our joint and collective response: a practical, school-owned way to weave PBCWMH into daily routines and relationships, and to deepen efforts against bullying, violence in schools, and low self-worth, so that learners can feel safer, learn better, and build stronger futures. VI. National Participation Targets (Pillar 1)

To guide planning and resourcing for Pillar 1:

IX. Overview of Part II – Schools as Second Homes Contest

(Pillar 2: PBCWMH as Daily Practice)

Part II of the PBCWMH program will also be a contest in the sense that school will receive a Role Model Citation. Over and above the recognition, schools, its head and all its stakeholders must focus of the life-changing and uplifting benefits this brings to the school community and country.

While Pillar 1 focuses on the duet performance, **Pillar 2 invites schools to imbibe and embed PBCWMH as a living practice in their daily life** as a Second Home, with teachers as Second Parents.

Over a set period, schools will be encouraged to:

- adopt simple, caring routines (daily greetings, affirmations, and reminders) that reflect the message of PBCWMH;
- place visible reminders around the campus (posters, bulletin boards, corner displays) that highlight kindness, anti-bullying, non-violence, and learner self-worth;
- organize class, homeroom, or guidance activities where teachers and students talk about what it means for the school to be a Second Home and for teachers to be Second Parents; and
- gather short videos or written reflections where teachers, students, and parents describe the impact of PBCWMH on their school climate.

Schools will later be invited to submit a simple documentation package (e.g., selected photos, short video clips or links, and a brief narrative report) as their entry to the Pillar 2 contest. Detailed mechanics, templates, and timelines for additional program components will be issued through DepEd channels and posted on the official “**I AM S.A.M. Foundation**” Facebook page.

Experience has shown that even strong education initiatives can sometimes remain one-time activities unless they are intentionally imbibed and embedded into the very “DNA” of school life. Pillar 2 is our joint and collective response: a practical, school-owned way to weave PBCWMH into daily routines and relationships, and to deepen efforts against bullying, violence in schools, and low self-worth, so that learners can feel safer, learn better, and build stronger futures.

ANNEX A — Official Educational Lyrics (Student– Teacher Version)

PLEASE BE CAREFUL WITH MY HEART by Jose Mari Chan

Student:

God has made me loved and precious, so be careful with my heart.
I believe you when you tell me that I'll have a brighter life.
You light my way in the dark

Now I'm living with hope and love.
And 'til life is through, I'm still inspired by you.
I put my trust in you, as you promise to help me grow.
From the very start, please be careful with my heart.

Teacher:

I love you and you know I do.
I'll be always here for you.
Promise, I will help you grow.
I will treasure and value you.
God has planned your life for a purpose, through the hardships that had you broken.
You've been burned and you've been hurt before.

And I know just how you feel.
Trust that I will care for you.
I'll be gentle with your heart, and protect you through and through.
I will fight beside you in troubles, I won't let your world fall apart.
From the very start, I'll be careful with your heart.

Chorus (Together):

You light my way (I'll be your guide) in the dark.
Now I'm living with hope and love (You've learned from the past)
And 'til life is through, I'm still inspired by you.
I put my trust in you (also to you),
as you promise to help me grow.
So from the very start, please be careful with my heart.
From the very start (from the very start),
Please be careful with (I'll be careful with) your (my) heart.

This applies at both the Regional and National levels. It does not preclude the Secretariat from disqualifying entries for violations of eligibility rules or **DepEd Order No. 40 (Child Protection)**.

Teacher-Learner Duet Challenge
Unified Judging Rubric (Regional & National Levels)
Total: 100 Points

 **How Judges Should Score the PBCWMH Unified Rubric**

1. Scoring Structure

Each criterion (6 total) has:

- **Weight** = the maximum percentage contribution to total score (e.g., 30 for Implementation & Creativity).
- **Performance Level** = 5 to 1 scale (Exemplary → Needs Support).

Judges assign **one rating per criterion (1–5 points)** and the system automatically multiplies by its **weight factor** to compute the weighted score.

Formula per criterion:

Weighted Score = (Rating ÷ 5) × Weight

2. Example of Calculation

| Criteria | Weight | Judge's Rating | Computation | Weighted Score |
|-----------------------------|--------|----------------|------------------------|----------------|
| Implementation & Creativity | 30 | 4 (Proficient) | $(4 \div 5) \times 30$ | 24.0 |
| Duet Quality & Harmony | 25 | 5 (Exemplary) | $(5 \div 5) \times 25$ | 25.0 |
| Transformative Impact | 20 | 4 (Proficient) | $(4 \div 5) \times 20$ | 16.0 |
| Child Safety & Compliance | 10 | 5 (Exemplary) | $(5 \div 5) \times 10$ | 10.0 |
| Accessibility & Inclusion | 10 | 3 (Developing) | $(3 \div 5) \times 10$ | 6.0 |
| Inspiration & Replicability | 5 | 4 (Proficient) | $(4 \div 5) \times 5$ | 4.0 |

TOTAL = 85 / 100 points

3. Interpreting Scores

| Range | Performance Band | Descriptor |
|----------|------------------|--|
| 90–100 | Outstanding | Deeply moving, creative, safe, inclusive, transformative |
| 80–89 | Very Good | Strong execution, visible care and harmony |
| 70–79 | Good | Meets basic expectations with minor gaps |
| 60–69 | Fair | Some promise, but limited engagement or clarity |
| Below 60 | Needs Support | Does not yet convey the song's intent or safety principles |

4. Judging Protocol

- Each performance is rated **independently** by 3–5 judges supervised by the Island Leads on the regional level and the Board of Judges on the national level.
- Judges must **write one sentence justification** per criterion (e.g., “Clear emotional connection and synchronized timing”).
- Scores are **averaged across judges** to yield the final total per performance.
- The **highest average** wins, but the Secretariat confirms compliance (e.g., DepEd Order 40, inclusion features).
- **The Board of Judges’ decision is final and unappealable.**
This applies at both Regional and National levels.
It does not preclude the Secretariat from disqualifying entries for violations of eligibility rules or **DepEd Order No. 40 (Child Protection)**.

5. Simplified Judge’s Scoring Sheet

| Criteria | Weight | Rating (1–5) | Weighted Score | Comments |

| Implementation & Creativity | 30 | | | |
| Duet Quality & Harmony | 25 | | | |
| Transformative Impact | 20 | | | |
| Child Safety & Compliance | 10 | | | |
| Accessibility & Inclusion | 10 | | | |
| Inspiration & Replicability | 5 | | | |
| TOTAL | 100 | | (Max 100) | |
