**Subject: Partnering for Student Success: A Proposal for Affordable,
World-Class College Entrance Test Review**

Dear School Principal,

Greetings from **AHEAD Education Group!**

For over 30 years, AHEAD Education Group has set the gold standard for elite educational preparation in the Philippines. However, we believe that world-class education should be a right, not a privilege. We are writing to invite your institution to join a movement that democratizes success and turns your students' aspirations into admissions.

At AHEAD, we recognize that families often face a difficult choice between quality and affordability. To bridge this gap, we launched **ReviewLab**, our flagship social enterprise initiative.

ReviewLab is a dedicated college entrance test review platform specifically designed to help students pass the admission exams of **State Universities and Colleges (SUCs)**, such as UP and PUP. By adapting the "AHEAD Standard", the same curriculum that has produced topnotchers for decades, ReviewLab ensures that elite-level preparation is now accessible to every student.

Our Special Partnership Offer

To support your most deserving learners, we are pleased to offer your school the following **scholarship grants**:

- **One (1) Full Scholarship for ReviewLab (UPCAT Track):** For a student preparing for the University of the Philippines College Admission Test.
- **One (1) Full Scholarship for ReviewLab (PUP/Other SUCs Track):** For a student preparing for the PUPCET or other major state university entrance exams.

Collaborative Opportunities

In exchange for these grants, we kindly request the following support from your institution:

1. **Official Endorsement:** Promoting ReviewLab as a preferred review partner to your Grade 11 and 12 students.
2. **Campus Visibility:** Mounting a ReviewLab information tarpaulin in a prominent area on campus. To ensure brand alignment, the AHEAD Team will handle all layout and design.

Benefits to Your Institution

By partnering with ReviewLab, your school can:

- **Boost Qualifying Rates:** Equip students with the tools to secure slots in tuition-free universities.
- **Empower Families:** Provide parents with a cost-effective, world-class tool to support their children's ambitions.
- **Strengthen Institutional Legacy:** Align your school with a program backed by AHEAD's proven track record of excellence.

We would welcome the opportunity to discuss how we can tailor a ReviewLab program for your students, whether through institutional enrollment or a campus "Ambassador Network."

If you are interested in exploring this partnership, please reply to this email. We look forward to empowering your students to excel in their college entrance exams.

Sincerely,

Rossana Llenado

Dear School Principal,

Greetings from **AHEAD Education Group!**

At AHEAD Education Group, we believe that a student's future should be determined by their potential, not their financial circumstances. For over 30 years, we have provided the Philippines' most successful test preparation, and now, we want to bring that expertise to your campus through **ReviewLab**.

ReviewLab is our social enterprise designed to bridge the gap between quality and affordability. By using the same "AHEAD Standard" that has produced decades of topnotchers, we help students secure slots in top-tier State Universities (SUCs) like **UP and PUP**.

How This Partnership Benefits Your School:

- **Elevate Success Rates:** Increase the number of your graduates qualifying for premier, tuition-free universities.
- **Support Families:** Offer parents a world-class review option that fits their budget.
- **Strengthen Reputation:** Align your institution with the country's leader in academic review.

Our Scholarship Commitment

To support your school's mission of academic excellence, we are pleased to offer **two (2) Full Scholarship Grants** for your most deserving Grade 11 or 12 students:

1. **Full Scholarship (UPCAT Track):** For a student aiming for the University of the Philippines.
2. **Full Scholarship (PUP/SUC Track):** For a student aiming for other major state universities.

Please see the **attached official partnership proposal and ReviewLab Briefer for a detailed look at our partnership terms**.

We would welcome the opportunity to discuss how we can tailor a ReviewLab program for your students, whether through institutional enrollment or a campus "Ambassador Network."

If you are **interested in exploring this partnership, please reply to this email**. We look forward to empowering your students to excel in their college entrance exams.

Best Regards,

Rossana Llenado
