Dear Ms. Violeta Gonzales,

Good day!

We hope this message finds you well.

On behalf of the **SDG Action Summit Coordination Team**, we are delighted to invite your school to participate in the **SDG Action Summit 2026**—a youth-led, multi-sectoral gathering that celebrates and activates changemakers from across the Philippines. (*Check out [last year's Summit here.](#)*)

Event Details

Date: February 24, 2026

Venue: Glorietta Activity Center, Makati City

Registration: 10:30 AM

Program Proper: 11:00 AM – 6:00 PM

Organized *by students, for students*, the SDG Action Summit is more than a one-day event. It is a **national platform designed to inspire, educate, and mobilize young Filipinos** around the United Nations Sustainable Development Goals (SDGs). The Summit is the **largest of its kind in the Philippines**, and brings together top changemakers, NGOs, social enterprises, and youth initiatives—offering students meaningful exposure to real-world pathways for leadership, service, and impact.

What Participants Will Receive

Confirmed school participation includes access to a carefully curated Summit experience, such as:

- **At least one (1) hour of reserved seating at the Main Stage**, where students will hear from and engage with leading changemakers, youth leaders, and impact-driven organizations

- **Face-to-face interaction** with many of the country's top NGOs and social enterprises, with 1–2 hours recommended to explore the interactive booths and exhibits
- **Guaranteed event freebies** and Summit materials
- Opportunities for inspiration, networking, and concrete action aligned with the SDGs—and more

Schools that **confirm early** are also to be considered for:

- **Special opportunities for students to speak** or be featured during the program
- **Selection as an *SDG Action Summit School Ambassador***, representing their school in Summit-related activities and promotions

Call to Action: Confirm School Participation

Participation in the SDG Action Summit is **free of charge**. However, due to venue capacity and the scale of interest, **reserved seating is limited and assigned on a first-come, first-served basis**. Other schools are already reserving seats, and we strongly encourage early confirmation.

There is **no maximum limit to the total number of students** your school may register. However, for seating and scheduling purposes, **each batch seated together will consist of up to 120 students**.

To confirm your school's participation, please reply to this email **on or before Friday, January 23, 2026**, with the following details:

1. **Number of students attending** (and how many batches, if applicable)
2. **Top three (3) preferred time slots** for attendance:
 - 11:00 AM – 2:00 PM
